Autism Awareness

First FRIDAY

ARCH of Lehigh Valley is a program of Elwyn, a non-profit organization. Located in Allentown, Pennsylvania, ARCH of Lehigh Valley is an inviting, user-friendly center that provides comprehensive services to individuals and families touched by autism. ARCH of Lehigh Valley works in collaboration with individuals on the spectrum, families, county representatives, providers, experts in the field and other stakeholders to coordinate a continuum of services for individuals whose lives are touched by autism. This First Friday participating business are engaging customers in various ways including "Puzzle Piece" Donation program, music and art workshops, an art trail by children with Autism, lighting their storefronts in blue, and much more! Follow the sidewalk chalk puzzle pieces throughout the Shopping district for new surprises!

Three time Grammy nominee Peter Case's work sets the bar for authenticity, passion and imagination and spans a number of genres, including folk, blues, and rock. Case's 2010 CD, Wig emphasized the rock and blues side of Case's repertoire, while 2007's Let Us Now Praise Sleepy John demonstrates what Case can do with just his voice and a guitar. With or without a backing band, Case delivers his songs with both intense passion and introspective nuance. (www.petercase.com)
