"American Heroes Grant" General Information and Filing Instructions

The "American Heroes Grant" is to provide a refund of County Taxes to anyone deployed by the military for a period of four months or more. The specifics to be eligible for this grant include the following:

General Information

- ➔ The grant period to be covered includes the 2007 - 2008 - 2009 - 2010 - 2011 tax year.
- ➔ The grant is available to all services/branches.
- ➔ Deployment must be for a minimum of four (4) months.
- ➔ Full County Tax refund for any year which includes part of the deployment, a deployment spanning calendar years would result in a refund for each year.
- ➔ Refunds will be made only on the county taxes paid on the qualifying "Homestead" or "Farmstead" parcel and the person deployed must be the taxpayer.
- ➔ In the event the deployed service personnel would return early due to an injury, the grant request will still be honored based on the scheduled deployment, not the actual time served.
- ➔ County Taxes must be paid before any refunds will be issued.
- ➔ Required proof, you must submit a copy of your deployment papers with your application.
