#### Old Business

- The Voter Registration Office had a registration table at the Lehigh County Naturalization Ceremony held on Tuesday, November 18<sup>th</sup>, 2025.
- Mrs. Brianna Nigrone-Souza was at the table and said there were 50 new citizens being naturalized, taking photos, and celebrating with their families. One woman was very excited and filled out the registration application at the table to hand back. We also handed out 3 more applications and said it could be completed online. It was very heartwarming and beautiful day for the new citizens and their guests.
- Mr. Timothy Benyo said it was slightly hectic with the amount of people but we hope to continue having a presence at these quarterly ceremonies.
- Mrs. Sarah Murray, Esq. added that the 2026 schedule has not been sent yet.
