

October 2, 2015

Dear Provider:

Magellan Behavioral Health of Pennsylvania, Inc. and Lehigh County HealthChoices are seeking your assistance in promoting Member discussion about behavioral health services.

These discussions are part of **Magellan's Voice to Vision (V2V) Campaign for 2015-2016.**

Our quarterly meetings will begin October 2015 and are open to all Lehigh County HealthChoices Members who recently received services and are affected by a mental illness and/or co-occurring substance use disorder, as well as Parent/Legal Guardians of Children who are under 14 years of age.

- The **Adult Services Council** is open to Lehigh County HealthChoices Members over 21 years of age. Our first meeting will be held **Wednesday October 28, 2015 from 3:00 to 4:30 p.m.** at Haven House, 1411 Union Boulevard, Allentown, PA, 18109.
- The **Youth/Family Services Council** is open to Lehigh County HealthChoices Members between 14 and 21 years of age, as well as Parents/Legal Guardians of Children under 14 years of age. Our first meeting will be held **Thursday October 29, 2015 from 4:00 to 5:30 p.m.** at Kidspace, Child Development Therapeutic Recreation Center, 1620 Broadway Street, Bethlehem, PA 18015.

Through community discussion Lehigh County Members will be invited to take an active role in providing feedback, to discuss services and access, uncover innovative solutions, and improve the overall quality of behavioral health services available to HealthChoices Members in Lehigh County.

The meetings will last 1.5 hours, allowing time for a brief presentation and the remainder for dialogue, questions/answers and discussion. Representatives from Magellan as well as Lehigh County will facilitate the discussion. There is no fee for participation, and refreshments will be available.

We are asking for your assistance in helping us to distribute this important opportunity to our Members. I hope that you will help us to spread the word and distribute the attached flyer. Please call me if you have any questions or concerns about this initiative (610-814-8082). We believe this will be a very valuable as well as informative meeting.

Sincerely yours,
