# Login to your share care account at: https://you.sharecare.com

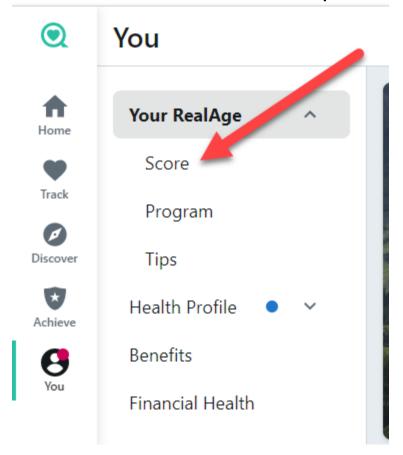

Click on the "You" profile icon on the left bar.

Click on the "Score" option.

Click the "View Full Report" button.

*Note: This will open in a new Tab or Window.
If you're having trouble, Press and hold the 'ctrl' key while clicking the button to disable pop-blocker.

SAVE the first page of the report. Be sure to scratch out any personal details, like your birthday before submitting to HR.

To Save the report to the computer:
Click the browser's SAVE icon and select a destination to save the file.
Name the file accordingly, such as "Your first name" "Your last Name"-Real Age Report.
When in the Open Enrollment Form, the upload box will allow you to browse to the destination where you saved this report.
