"American Heroes Grant" General Information and Filing Instructions

The "American Heroes Grant" is to provide a refund of County Taxes to anyone deployed by the military for a period of four months or more. The specifics to be eligible for this grant include the following:

General Information

- The grant period to be covered includes the 2007 through 2020 tax years.
- The grant is available to all services/branches.
- Deployment must be for a minimum of four (4) months.
- Full County Tax refund for any year which includes part of the deployment, a deployment spanning calendar years would result in a refund for each year.
- Refunds will be made only on the county taxes paid on the qualifying "Homestead" or "Farmstead" parcel and the person deployed must be the taxpayer.
- In the event the deployed service personnel would return early due to an injury, the grant request will still be honored based on the scheduled deployment, not the actual time served.
- County Taxes must be paid before any refunds will be issued.
- Required proof, you must submit a copy of your deployment papers with your application.

Filing Instructions

- Please complete the top portion of the form on the reverse side, filling in all blanks and answering each question.
- The property address should be that of the "Homestead" or "Farmstead" property in which you are applying for the "American Heroes Grant".
- Be sure to sign and date your application.
- Be sure to attach a copy of the required proof of deployment papers.
