All powers and functions of the County are to be liberally construed in favor of the County.

§ 104. Rights Reserved to the People.

L. 184, No. 62, as amended. The County Government shall, by action of the Board of Commissioners, offer to provide necessary municipal services as may be required from time to time in the cities, boroughs and townships

(a) All elected officers of the County shall be elected for four year terms of office, except as otherwise specified hereinafter for the first terms of certain elected offices. All terms of office for elected officers shall commence on the first Monday of January of the year following their election. Any limit on the number of terms which a person may serve in an elected office may only be established by amendment of this Charter, approved by the qualified electors of the County in a referendum pursuant to §1008.

(b) (1) The Board of Commissioners shall consist of nine (9) members, five (5) of whom shall be elected from districts and four (4) from the County at large. The County shall be divided into five (5) districts and the qualified electors of each district shall have the right to vote for one (1) district commissioner and for as many commissioners-at-large as are to be elected at the election. The initial boundaries of the five districts created by this Charter are as contained in Appendix A attached hereto. If a court of competent jurisdiction shall find the initial boundaries of the districts to be invalid for any reason, the Court of Common Pleas of Lehigh County shall designate the initial boundaries of the five (5) districts within ninety (90) days after the entrance of the final order declaring the initial boundaries to be invalid. One (1) commissioner-at-large shall be elected in the year 1977 to serve for an initial term of two (2) years. (2) It shall be the mandatory duty of the Board to redistrict the County as required by state law. The population of each district shall be nearly as equal as practicable.

(c) The County Executive shall be nominated and elected by the qualified electors of the County in the year 1977 and at four year intervals thereafter. No person so elected to the office of County Executive for a four (4) year term shall serve more than two (2) consecutive four (4) year terms of office. The limitation shall apply to persons elected to the office of County Executive at the elections to be held November 7, 1989, and every four (4) years thereafter. No four (4) year term served prior to that commencing on the first Monday of January, 1990 shall be included in calculating this limitation. Any terms served by a person appointed to fill a vacancy or elected to complete an uncompleted term in the office of County Executive pursuant to § 208 or other applicable law shall not be included in calculating this limitation.

(d) The District Attorney, Treasurer, Sheriff, Coroner, Prothonotary, Recorder of Deeds, Register of Wills and Clerk of Courts elected for four year terms in 1975 shall serve in the office for which they were elected for the remainder of their terms with no change in their compensation. § 302. Legislative Powers and Duties.

All legislative powers which may be exercised by the County under the Constitution and laws of the Commonwealth of Pennsylvania shall be vested in the Board, except as otherwise expressly provided in this Charter. The Board shall have, but not by way of limitation, the following powers:

- (a) To enact, amend or repeal ordinances, resolutions, and motions not inconsistent with this Charter or the Constitution and laws of the Commonwealth of Pennsylvania.
- (b) To make appropriations, incur indebtedness, and adopt the budget.

(e) To adopt procedures, by ordinance, which shall provide for the purchasing of products, goods and services, the making of contracts, and the sale or lease of personal or real property of the County. Such procedures shall provide for negotiated contracts, competitive bidding, bidding procedures, assurance of controls on aggregate spending, and safeguards against special interests.

(f) To adopt a Personnel Code as required by Article IX of this Charter.

(g) In aid of its legislative powers and functions, to make, or cause to be made, as a body or through a committee thereof, such studies, audits, inquiries, and investigations relating to the affairs of the County and its government and to the conduct of any agency, officer, or employee, and in connection therewith, to obtain professional and technical advice; subpoena witnesses; administer oaths; and require the production of books, papers, and other evidence deemed necessary.

(h) To appoint or confirm, as the case may be, officers and employees as provided by this Charter, by ordinance, or by State law.

(i) To establish the salaries and wage levels of the County officers and employees, subject to the provisions of Article IX of this Charter.

(l) To acquire property by eminent domain for any necessary public purpose.

(m) To make provisions for any matters of County Government not otherwise provided for, including, but not restricted to, any matter involving health, safety, and welfare.

§ 303. Organization and Rules of Procedure.

(a) On the first Monday of January in each year, the Board shall meet and organize by electing a chairman or chairwoman and a vice-chairman or vice-chairwoman from its membership, who shall hold such offices at the pleasure of the Board. The chairman or chairwoman, or in the event of his or her absence the vice-chairman or vice-chairwoman, shall preside at all meetings of the Board. They shall, in all questions before the Board, have and may exercise their rights to which they are entitled as a Board member. If a majority of the Board shall not attend the organization meeting of the Board, those present may adjourn the meeting to such time as they may determine. The members who attend the second of such adjourned meetings, although less than a quorum as fixed in §306, shall nevertheless constitute a quorum for the purpose only of electing the officers of the Board. If a quorum be present at any organization meeting, the Board may transact any other business it may deem necessary. If the first Monday of January is a legal holiday, the meeting and organization shall take place the next day following.

(b) The Board may appoint from among its members any committees and officers of the Board who shall perform duties and functions established by the Board, not inconsistent with other provisions of this Charter. The Board shall adopt rules necessary for its organization, procedure, meetings, and committees.

§ 304. Meetings.

(a) The Board shall establish the time, place, and conditions of its regular and special meetings. Regular meetings shall be held at least twice in each calendar month in separate weeks. All meetings of the Board shall be open to the public. Public notice of all meetings shall be given showing the dates, times, and places at which the meetings are to be held. Public notice of the schedule of regular meetings shall be given at least once each calendar year. During a declared state of emergency public notice shall not be required if impractical under the circumstances.

(b) Presence of a Commissioner at any meeting shall constitute a waiver of notice of such meeting, except where a Commissioner attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

(c) If a meeting cannot be organized because a quorum has not attended, those present may adjourn the meeting to such time as they may determine.

§ 305. Staff.

There shall be a Clerk of the Board and such other personnel as may be authorized from time to time. All appointments to the staff of the Board and all suspensions or removals therefrom shall be made by the affirmative vote of at least a majority of the Board in office. The Board may take action only at public meetings. All ordinances must be adopted by the affirmative vote of at least a majority of the Board in office except as may be provided otherwise in the Charter. Resolutions and motions must be adopted by the affirmative vote of no less than a majority of members of the Board present and eligible to vote.

§ 308. Ordinance Requirements.

A proposed ordinance may be introduced by any member of the Board or by the Board as a

whole. A proposed ordinance shall be submitted in writing and shall be limited to one subject, which shall be clearly expressed in the title. Any proposed ordinance may incorporate by reference all or any part of a technical code or acts of the General Assembly. No proposed ordinance except an emergency ordinance or a budget ordinance adopted pursuant to § 704(c) may be finally adopted at the meeting at which it is introduced. Prior to the adoption of an ordinance, it may be amended, provided that the amendment is submitted in writing.

Amendments during the legislative process shall require the same number of votes required for final passage of the ordinance. If the amendment changes the ordinance substantially, and if a public hearing was required for the ordinance, a separate public hearing shall be required with respect to the amendment. Adoption of any ordinance or amendment thereto may occur no sooner than the next following regular or special meeting of the Board held at least six (6) days after the proposed ordinance or amendment was introduced except as provided above for an emergency ordinance or a budget ordinance adopted pursuant to § 704(c).

§ 309. Citizens' Right to be Heard.

The Board shall, by ordinance, adopt procedures for citizen participation.

§ 310. Actions Requiring an Ordinance.

(a) Actions of the Board which are legislative in character shall be by ordinance. In addition to any other actions which must be taken by ordinance as required by law or this Charter, the following actions of the Board shall require an ordinance:

to the provisions of Article IX.

1. Adopting the operating budget or a capital improvement plan, program, and budget except as provided in § 704(c).
2. Establishing new taxes or increasing rates of existing taxes.
3. Authorizing any intergovernmental agreement that transfers the exercise of any County power or function to any other governmental body or which transfers to the County the exercise of any power or function of a local municipality or another county.

§ 311. Emergency Ordinances.

Emergency ordinances may be adopted at the same meeting at which they are introduced and shall take effect immediately upon enactment. An emergency ordinance shall automatically stand repealed on the 31st day following its effective date, but this shall not prevent the reenactment if the emergency still exists; however, re-enactment shall be by the procedures followed for adoption of ordinances generally.

§ 312. Executive Approval or Veto of Ordinance.

Before any ordinance takes effect, except an emergency ordinance, it must first be submitted to the County Executive for his or her approval. The County Executive shall sign the ordinance if he or she approves it, whereupon it shall become law as of its effective date. If he or she disapproves it, the County Executive shall return the ordinance to the Board with the reasons for his or her disapproval within ten (10) days after he or she receives it. If the Board shall within thirty (30) days thereafter, again pass the ordinance, this time by an affirmative vote of a majority of the members of the Board in office plus one (1), the ordinance shall become law without the County Executive's approval. If the County Executive fails to act upon an ordinance within ten (10) days after receiving it, the ordinance shall become law without his or her approval. This section shall be subject to any inconsistent requirements of the process for enacting a budget ordinance.

Unless prohibited by the Constitution of the Commonwealth of Pennsylvania or an Act of the General Assembly of Pennsylvania, all laws relating to or affecting this County or its agencies, offices, or employees, which are in force when this Charter becomes effective are superseded to the extent that they are inconsistent or interfere with the effective operation of this Charter or of ordinances or resolutions adopted pursuant thereto.

(b) All rights, claims, actions, orders, contracts and legal or administrative proceedings of the County Government shall continue, except as modified pursuant to the provisions of this

Charter, and in each case shall be maintained, carried on or dealt with by the County officer or officers, or agency appropriate under this Charter.

(c) If an office or agency is abolished by this Charter, its powers and duties shall be transferred to the office or agency designated in this Charter. Where this Charter does not specifically designate the agency to which existing programs and functions are assigned, the Board shall provide for such assignment in the Administrative Code.

§ 1107. Officers and Employees.

(a) Nothing in this Charter, except as otherwise specifically provided, shall affect or impair the rights or privileges of persons who are County officials or employees at the time of this adoption; and nothing shall diminish the rights or privileges of any former employee or any present employee in his or her pension or retirement benefits.

(c) Members of agencies in office at the time this Charter takes effect shall remain in office for as long as their respective terms of appointment shall continue, unless and until an agency shall be abolished, combined with another, or reconstituted, in which case the members thereof shall vacate their respective offices upon notice from the Board to do so.

§ 1108. Temporary Ordinances.

(a) The Board may at any meeting held within ninety (90) days after the effective date of this Charter, adopt temporary ordinances to deal with cases in which there is urgent need for prompt action in connection with the transition of government, and in which the delay incident to the appropriate ordinance procedure would probably cause serious hardship or impairment of effective County government. Every temporary ordinance shall be plainly labeled as such but shall be introduced in the form and manner prescribed for ordinances generally.

(b) A temporary ordinance may be considered and may be adopted without amendment at the meeting at which it is introduced, except that the public hearing requirements shall be observed for ordinances as prescribed in § 310(b) of this Charter. After enactment of a temporary ordinance, the Board shall cause it to be printed and published, as prescribed for other enacted ordinances. A temporary ordinance shall not be subject to referendum and shall become effective upon enactment or at such later time as it may specify.

(c) Every temporary ordinance, including any amendments made thereto after enactment, shall automatically stand repealed as of the effective date of the Administrative Code and shall not be re-enacted, renewed, or otherwise continued except in the manner prescribed in Article III of this Charter for ordinances of the kind concerned.

§ 1109. Administrative Organization.

Until the effective date of the Administrative Code, the County Executive shall have the authority to issue written directives for the administration of the executive branch in such a manner as he or she shall deem necessary for the most efficient operation of the County Government. A copy of any directive and any amendments thereto shall be forwarded to the Board within twenty-four (24) hours after being issued.

§ 1111. Contracts and Purchases.

Until adoption of an ordinance by the Board specifying procedures and requirements for contracts and purchases, as required by Article III of this Charter, all contracts and purchases shall be made in conformity with State laws applicable to counties of Lehigh County's classification functioning without home rule charters, except that the duties and responsibilities prescribed therein for various County officers shall be performed by the County Executive or his or her designee.

§ 1112. Transition Procedure.

(a) On or before March 1, 1976, there shall be a Transition Committee consisting of nine (9) persons to draft necessary ordinances, rules and regulations including the Administrative Code required by the Charter in order that they may be adopted by the Board of Commissioners on or after the effective date of this Charter. The Transition Committee shall include three (3) County Commissioners, or their designees, three (3) persons who were elected as members of the County Government Study Commission, appointed by the elected members of the County Government Study Commission, and three (3) qualified electors appointed by elected members of the County Government Study Commission, the latter six (6) of whom shall not be serving in any County position. The three (3) members of the Transition Committee who were elected members of the County Government Study Commission and the three (3) members of the Transition Committee who are the qualified electors shall be replaced on the Transition Committee by the six (6) members of the Board of Commissioners elected by the qualified electors of the County in 1977. Any vacancy on the Transition Committee among the members from the County Government Study Commission and the qualified electors shall be filled by the remaining members of the Transition Committee.

(b) The Board of Commissioners in office in 1977 shall prepare and adopt in 1977 the budget for 1978 complying insofar as possible with §§ 702- 705, but the aforesaid shall in no way limit the power of the Board of Commissioners taking office on the first Monday of January, 1978, and the County Executive to revise the budget for 1978 as authorized by law and by this Charter.

§ 1113. Termination of Article.

Sections 1109-1111 inclusive of this Article shall terminate and cease to be a part of this Charter as soon as:
