Our Community Programs are committed to helping you **PRESERVE** your sight.

- We Look Beyond Vision -

VISION SCREENINGS FOR CHILDREN AND ADULTS

help discover vision problems as early as possible using SPOT, the latest high tech vision screener from PediaVision.

EDUCATIONAL PROGRAMS provide information about eye health and eye safety for all ages.

VISION HELP

for eye exams and glasses for uninsured and financially qualified children and adults is available through a special program in the Allentown office and the Eye Care Clinic in the Monroe Office.

We can introduce you to products and techniques to **ENHANCE** your remaining vision.

- We Look Beyond Vision -

LOW VISION EXAMS

conducted by our Low Vision Specialist help determine how you can best use your remaining sight to continue to do things you enjoy most.

ADAPTIVE TECHNOLOGY provides solutions ranging from simple magnifiers to more sophisticated video and digital magnifying devices.

OUR VISION AIDS STORES carry products such as large print items, talking clocks and watches, cooking utensils and more to help you live life with low vision to the fullest!
