

A program of LVCIL

Hosts

Informational Presentations

With a focus on 14-21 year olds with disabilities who are in school or registered in a post-secondary program

A series of free presentations for young adults with all types of disabilities who have independent living skills, workplace readiness, job exploration and self-advocacy goals.

Young adults, Parents and/or Guardians, please join us in any or all presentations coming up this year. Held at LVCIL, there will be refreshments along with the informational sessions for both young adults and their parent or guardians.

We will end our series with our Resource Fair on March 30, 2019 at LVCIL
