A case manager is available Monday through Friday from 8:00 am to 5:00 pm to provide you with assistance on accessing services for substance abuse. If you do not have health insurance and are in financial need, this office may also help you get the funding for the services that are necessary.

The card may say, "For Behavioral Health Services" or "For Drug and Alcohol Services" or "For Substance Abuse Services" call the number provided.
- **If it is after regular business hours and it is a *medical emergency***, call 911 or seek help at your local hospital emergency room.
- **Local support groups, such as Alcoholics Anonymous, Narcotics Anonymous, Al-Anon (for family members)** exist in many locations and can be accessed free of charge and without any "membership" commitment. You can learn about what meetings exist in your area by calling the listing in your local phonebook. These meetings are also often listed in the community section of the local newspaper.
