Calling all transition age students,
educators and community partners!

***PLEASE JOIN US AS A
PARTICIPANT OR VENDOR!***

THE NEXT STEP High School Transition Resource Fair will feature colleges and community partners to answer all of your questions on education, training, employment, independent living, transportation, and referral services. Prize raffles, breakout sessions, and campus tours will be offered. Students can practice their self-advocacy skills with the colleges and community partners in attendance.

More detailed information and a registration link coming soon!

***Join us in exploring all of your options
you have in life after high school!***
