

## TELEHEALTH EDUCATION FORUM

AARP and the Lehigh Valley Health Network are bringing you a first hand look at telehealth and how it can help you and your loved ones access the health care you need.

Join us for this behind-the-scenes special demonstrations of telehealth technologies. The Lehigh Valley Health Network Connected Care Team will show how video visits work and describe the benefits of remote patient monitoring.

This event is free and open to the public, but registration is required.

Please RSVP online at [aarp.cvent.com/d/6bq7s4/](http://aarp.cvent.com/d/6bq7s4/) or call toll-free 1-877-926-8300.
