

Recovery Partnership is a 501 (c)3 not for profit organization operating in the Commonwealth of Pennsylvania. We are a consumer-run organization consisting of those with lived recovery experience and family member of those with lived experience. The focus of our programs is to promote personal growth and foster recovery.

Our Certified Older Adult Peer Support Specialists are specifically trained to work with this unique population.

How can I apply?

Referrals can be made through Northampton County, provider agencies, or self-referral, using our online referral form or by phone.

Who is eligible?

All individuals, 65 and older, who receive behavioral health services through Northampton County and who are not eligible for HealthChoices.

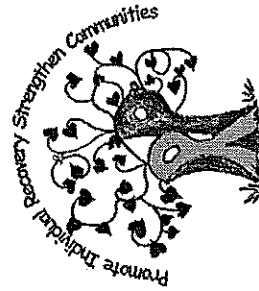

Our Certified Older Adult Peer Support team is ready to provide:

- Assistance with systems navigation
- Health, Safety, & Nutrition Awareness
- Assistance in developing a Wellness Recovery Action Plan (WRAP)
- Assistance with maintaining independence in money management, transportation, etc.
- Support to improve communications with family members and others
- Assistance in developing and maintaining positive social and personal supports
- Hope that comes with a unique peer relationship

This project is funded in part, under a contract with the Northampton County Department of Human Services through funds provided by the County of Northampton and the Commonwealth of Pennsylvania.

Benefits of Certified Older Adult Peer Support

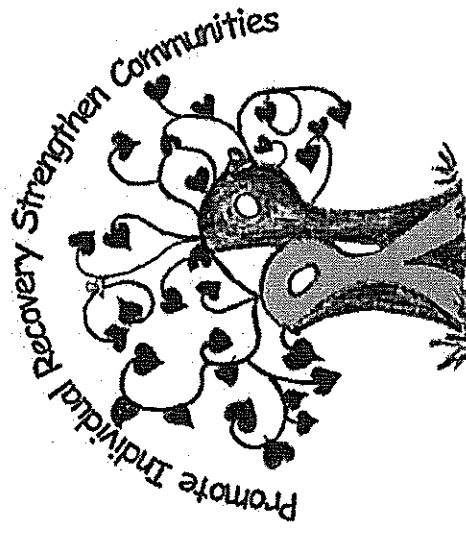

- Sense of hope and inspiration that recovery is possible for everyone
- Stigma is reduced with support provided by peers who can relate
- Community setting encourages social connection
- Increased participation in available wellness programs and improved quality of life
