

Lehigh County Office of Aging and Adult Services is Honoring Volunteers!

Our agency honors older adults in May, in celebration of Older Americans Month. The Unsung Heroes event celebrates the contributions of older adults in our community who generously give their time and talents to enhance the lives of those around them while demonstrating healthy aging.

Do you know someone who is a true Unsung Hero?

Please nominate them so that we can celebrate them this May!

Please return the nomination form to the Lehigh County Aging and Adult Services Office by mail (address on the nomination form), or email:

agingandadult@lehighcounty.org

Any questions, please call 610-782-3034.

All nominations are due by March 31, 2024.
