What is Senior CHAT?

Senior CHAT is a safe and secure no-cost program that matches screened Volunteer Callers with older adults who live in Lehigh, Northampton, or Carbon Counties. Matches connect for friendly phone conversations once each week.

"It turns out years ago we worked for the same company. We never knew each other back then, but we have a lot in common and some good 'war stories' to share."

"We both have so much to talk about. I'm really glad I signed up. I always feel better after one of our calls."

"My Match is more techno-savvy than I am. She helped me sign up for ecards and I was able to send my granddaughter a cute ecard for her 8th birthday."

"We both like sports and the same teams. We watch a lot of the same TV shows. He's got some good jokes."
