

STEPPING STONES FOR CHILDREN

FALL 2014

SESSION

OCTOBER 8, 15, 22, 29

6-7:30 p.m.

@ LVH 17th and Chew Sts.

Stepping Stones for Children offers a combination of education, arts, activities and support to help children ages 4-15 facilitate healthy grieving. Led by specially educated counseling staff and volunteers, children benefit by learning age-appropriate concepts about death and dealing with grief. Stepping Stones for Children offers the opportunity to express feelings in a safe and constructive environment where children are surrounded by other children who understand what they are going through.
