If you have NO insurance for outpatient Mental Health services you will need to have a liability appointment with Lehigh County to assess you to qualify for funding. Lehigh County does NOT provide funding for Medications.

We are here to make this easier and more convenient for you!!

Liabilities are done via phone: 610-782-3851

To Qualify: you must have no insurance and live in Lehigh County.

We will need you to provide a copy of your driver's license/ID which can be sent to us via email. We will discuss further during your phone appointment.

The phone call will take less than 15 minutes and you will be connected to one of our providers for outpatient services with a psychiatrist and a therapist.
