

A SEASON OF GIVING

It's a season of change, but it's also a season of giving. At the beginning of the year, Preventive Measures set goals as a company to increase our giving in 2020, and encouraged each region to give of their time, talent and treasure. We're excited to share one of the ways we're impacting our communities through what we call, The BIG Give. Read on to learn more,

PREVENTIVE MEASURES PRESENTS:

THE BIG GIVE

ON THE FRONT LINES

Healthcare Workers and First Responders remain on the front lines of the COVID-19 pandemic, but their sacrifice is often at the expense of their mental health. During the month of May, our Providers in PA and DC will be offering clinical support at no cost to Healthcare Workers (including Home Health Care and EMTs), Police Officers and Firefighters. Our team has already committed over 90 hours of online and talk-therapy support to assist these individuals in navigating the crisis. We're giving back where we give best - with healing and support for our community. Call today to schedule an appointment:

Pennsylvania: 484-225-4323

Washington, DC: 202-563-7632
