Republican - Republicano
Directions for Voting on the Voting Machine

To begin voting, touch the button "Empiece" in the lower left corner of the screen to start the voting process. You can magnify or change the contrast of your ballot to help improve the legibility of the text.

1. If you have never voted before, put your voter access card into the machine and tap it until it clicks. The machine will display your ballot. To change or cancel your selections, touch the box next to each candidate's name. If you select a race that has already been filled, that candidate will appear in red.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve the legibility of the text.

3. To remove your voter access card and return it to the poll worker, touch the button " выпускать." The machine will sound a tone when you can remove your card.

4. On the Summary Page, review your choices. Touch "Back" to review previous pages. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race and select "Record Write-In." Items in red are races that were left blank or incomplete.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not change or cancel your selections. To change or cancel your selections, touch the box next to each candidate's name and select "Record Write-In." If you would like to enter a candidate after "write-in," and a keyboard will appear on the screen. You can then select "Board Member," and the appointed summary of your choices will appear on the screen. You may then select "Record Write-In." The appointed summary of your choices will appear on the screen. You then select the candidate you want to vote for. "Your Ballot" will be updated when you have completed the selection process.

If you have any questions, contact the City of Allentown's Office of the City Clerk at (610) 409-8600.

Directions for Voting on the Voting Machine

1. To begin voting, insert voter access card into the slot at the upper right side of the screen.

2. After inserting your access card, a new page will appear on your screen. You should see the “Next” button on the bottom left of the screen. If you would like to vote, select “vote” and a keyboard will appear on the screen. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen.

3. After entering your vote, the text you entered will appear on your screen. If you would like to vote for a particular race, select “vote” and the page will appear. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Enter the name of your candidate by touching the letters, and select “vote.” To change or cancel your selection, select the square again and make another selection.

4. The “Next” button also allows you to change pages. By touching the “Next” button you will see each page until you reach the end of the ballot.

5. If you make a mistake or if you want to cancel your vote, select “Regresa” and the page will appear. If you would like to change your vote, select “vote” and a keyboard will appear on the screen. Enter the name of your candidate and select “vote.” The page will appear. If you would like to cancel your vote, select “Regresa” and the page will appear. If you would like to change your vote, select “vote” and a keyboard will appear on the screen. Enter the name of your candidate and select “vote.” The page will appear.

6. Once you have completed the above process, return your access card and remain in the polling room.

To make further changes or vote again, select “Regresa” and the page will appear.
Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen.
2. Before starting the process, you may change or cancel the contents of your ballot to help improve clarity.
3. Touch "Next" to go to the next page. If you make a change, "Next" will appear designated as an "X" and you will have to touch "Next" to save the change.
4. On the Summary Page, review your choices. Touch "Back" to review previous pages. You may touch "Next" to continue to any page you want and then return to the Summary Page. "One Ballot Page" is a new page.
5. If you would like to vote with a different access card, touch "Next" and a keyboard will appear on the screen. You may also use the "Next" button to modify your selection on this screen.
6. You have completed the electronic touch screen voting process. Remove your voter access and return to the polling place.

Democratic - Democrático

45. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.

46. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.

47. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.

48. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.

49. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.

50. Touch “Registre los Votos” when you are ready to register your vote. After touching this, you will need to touch each of the pages you want to review before it is erased from memory.
2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help you see better.

3. Touch "Next" to move to the next page of your ballot. You will see the "Next" button on the right side of the page and in the lower right corner of the ballot. Touch "Next" again to move to the next page. An "X" will appear beside the chosen item when you touch a box.

4. To change or cancel your selection, touch the box again and make another selection.

Items in red are races that were left blank or incomplete. To change or cancel your selection, touch the box again and make another selection.

5. In the Summary Page, review each choice that you selected to make sure you have chosen the correct candidates for the races you want to vote for. If you want to change or edit your vote, touch "Back" to return to the previous page(s) until you get to the page that contains the race you want to change. Once "Carl Ball" is selected you must make sure to touch "Record Selection." The ballot page normal screen will appear and the name that you entered will appear in your screen. You can change your vote by touching the name and choosing another name.

6. To cancel or change your selection, touch a box again and make another selection.

Remember your vote is secret and cannot be seen by the tabulator.
1. Insert voter access card into slot at upper right side of the screen.

2. You will see the "Start" button on the right side of the screen. If you would like to change your vote, you may change the votes you have entered. To change a vote for any race, touch the race you want to change and you will be taken back to the proper page to cast your vote. If you want to vote for a race that was left blank or change your vote for any race, just touch "write-in," and you will be taken back to the proper page to cast your vote.

3. Touch the square in the screen next to your choice. An "X" will appear next to your selection. If you wish to change your vote, touch the "X" and a keyboard will appear on the screen. You may change your vote by touching "backspace," and then entering your new vote.

4. On the Summary Page, review your choices. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch "write-in," and you will be taken back to the proper page to cast your vote.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may only return your voter access card and return it to the poll worker.
To begin voting, increase readability.

6. You have completed the electronic touch screen voting process.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

4. To change or cancel your selection, touch the box again and make another selection.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

2. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type the name of your candidate and touch "write-in" to vote for write-in. If you would like to write-in a candidate, after "write-in" and a keyboard will appear on the screen. Type the name of your candidate and touch "write-in" to vote for write-in. If you want to vote for a candidate that is not listed, touch "write-in".

1. The normal voting screen will return and the name you entered will appear as the choice for that race.

To vote by telephone, call 1-866-VOTE-PAC. You can vote securely and conveniently from your home. Directions for Voting on the Voting Machine

To vote by mail, fill out the enclosed application for a voting by mail ballot. The application must be signed and the return envelope must be sealed. Return your voter access code and envelope to the poll worker.

To vote in person, go to the polling place listed on your voter access code and envelope. You must be registered with the county where you live on or before the 15th day before the election. Awaits to vote in the General or Primary election need not be registered in the county in which they wish to vote. If you do not have a voter access code or envelope, you may register to vote on election day.

Illusion Municipal Primaries, 16th May 2017

Democratic - Demócrata

Republican - Republicano
To begin voting, increase readability.

1. Insert voter access card into slot at upper right side of the screen. Push the card firmly in until it clicks. The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve its readability.

3. Touch the square in the screen next to your selection. A “X” will appear next to your selection. If you would like to select a different office, “office” and keyboard will appear on the screen. Touch the office you would like to change, and you will be taken back to the proper page to cast your vote.

4. If you would like to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the desired race you would like to change and you will be taken back to the proper page to cast your vote. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may not change or edit your vote. If you change your mind, scream and then touch “Cancel,” and you will be taken back to the proper page to cast your vote.

6. You have completed the electronic touch screen voting process. Return your vote soon and cast it in the poll worker's bin.

Democratic - Democrático

Republican - Republicano
2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve the legibility of your ballot page. To do this, push the "Menu" button to enter the "Settings" menu. You will see the "Font" button in red on your ballot page and at the end of the ballot. To change the contrast, touch "Font" and then touch "High" or "Low" to change the contrast. If you want to make further changes, touch "Active" and the keyboard will appear on the screen. Use the arrow keys to move around and make changes. The "Back" button will return you to the previous page.

3. Touch the square in the screen next to the race you want to vote for. A "X" will appear next to your selection. If you would like to vote for another race, the "X" will disappear and you will be able to make changes to your vote. To change or cancel your selection, touch the box again and make another selection.

4. In the Summary Page, review your choices. Some races have more options than are shown. If you have made any changes, you will see them listed. If you want to change your votes, touch the Race button you want to change and follow the instructions on the screen.

5. To change or cancel your selection, touch the selection you want to change. A "X" will appear next to your selection.

6. El proceso de votar por tocar está completo.

7. Touch "Registre los Votos" cuando usted está listo para registrar su voto. Después de tocar este botón, aparecerá "Regístrese para el voto por escrito".

8. Si usted quiere votar por una persona cuyo nombre no aparece en la paleleta, toque "write-in," y un texto aparecerá en la pantalla con el nombre que usted ingresó. Escriba el nombre que quiere votar por y luego toque "Registre Votación Personal." La pantalla electoral normal volverá y el nombre que usted entró aparecerá en la página apropiada.

9. If you made changes to the ballot, you will see a message on the screen that states "You have completed the democracy or election process. Remember your vote and cast it in thedoubleValue.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve the legibility of the ballot. Push the "Up" or "Down" button until the "Next" button to access the back of the ballot appears. An "X" will appear on the screen if the contrast has been changed. If you would like to return to the first page without saving, touch the back of the ballot or "Clear Ballot." The new back of the ballot page will continue to the bottom of the ballot.

3. Touch the square next to your selection. A "1" will appear on the screen. To change your selection, touch the box again and make another selection. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race. The "Write-In" option is only available for races that have "write-in" written beside them on the screen. You can write-in up to four candidates per race. If you would like to write-in a candidate, touch the "write-in" option and a keyboard will appear on the screen. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race.

4. On the Summary Page, review your choices. If any race appears highlighted, that indicates the race has been changed or cancelled. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race. To change or cancel your selection, touch the box again and make another selection. You can write-in up to four candidates per race.

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just push the "Next" button on the screen. You will use the "Next" button to see each page until you reach the end of the ballot.

Return your voter access card and return it to the poll worker.
To begin voting, increase readability.

Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve your experience.

Remove your voter access card and return it to the poll worker.

You have completed the electronic touch screen voting process.

If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In.

To change or cancel your selection, touch the box again and make another selection.

Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

The normal voting screen will return and the name you entered will appear as the choice for that position.

You can then go to the next page and continue voting.

You can also go to the previous page to view your selections.

Once you exit the screen, your selections and write-in votes will become permanent and you will not be able to change them.
2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability.

3. Touch the box on the screen next to your choice. An “X” will appear designating your selection. To change or cancel your selection, touch the box again and make another selection.

4. In the Summary Page, review your choices. If any of the races appear highlighted, that indicates they are write-in candidates. Type the write-in you would like, then select “Record Write-In.” This will register your vote for the write-in candidate. If you made a mistake or want to change your vote, you can do so by touching the box again to deselect the race.

5. Not all the races on the ballot are available in your district. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race and make a new selection. Items in red are races that were left blank or incomplete.

7. Después de votar, puede que necesite cambiar su nombre a un nombre más apropiado. Si lo desea, puede hacerlo en la pantalla de la página siguiente. Si no, puede pasar al siguiente paso.

1. Por favor, use la pantalla de su teléfono para votar en el Partido Republicano. Si está en un lugar común en un contexto, consulte el número de su teléfono para votar en el Partido Republicano. Si está en un contexto, consulte el número de su teléfono para votar en el Partido Republicano. Si está en un contexto, consulte el número de su teléfono para votar en el Partido Republicano.
To begin voting, remove your voter access card and return it to the poll worker.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch that race and it will show up in red. Items in red are races that were left blank or incomplete. Touch "Back" to review previous pages.

The normal voting screen will return and the name you entered will appear as the choice for that particular race. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. You can then enter the name of the person you would like to write in. When you are finished, touch "Back" to return to the normal voting screen.

6. If you want to change the races you have already cast, touch the race you would like to change and it will change back to its proper page. You can then change your vote for that race. If you change your vote, the race will show up in red. You can continue to change races as many times as you would like.

6. Once you are finished, please remove your voter access card and return it to the poll worker.
Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen. Push the card firmly in until it clicks.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve visibility.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. For write-in candidates, write the name of your candidate on the screen and select "write-in." The name you entered will appear as the choice for that particular race.

4. On the Summary Page, review your choices. See above for write-in instructions.

5. Before hitting the "Next" button, review your choices carefully. Click the "Back" button if you want to change any of your choices.

Elección Municipal Primaria, el 16 de Mayo, 2016

1. Para votar, ingrese al cuarto de votación y coloque la tarjeta en la ranura. Si el proceso de votación ha comenzado, solo puede cambiar su votación y regresarla al trabajador de la mesa.

2. Coloque la tarjeta de votación en el lector de tarjetas, asegúrese de que el flecha esté mirando hacia arriba, y la caja esté cara hacia arriba. La caja debe estar cara hacia arriba con la flecha mirando hacia la izquierda.

3. Para cambiar o cancelar su selección, toque el cuadrado otra vez y haga otra selección. Cuando esté listo para registrar su voto, toque "Registro Votos" y su voto se registrará.

4. Para cambiar o cancelar su selección, toque el cuadrado otra vez y haga otra selección. Cuando esté listo para registrar su voto, toque "Registro Votos" y su voto se registrará.

5. Toque "Registro Votos" cuando esté listo para registrar su voto. Después de tocar "Registro Votos" se puede cambiar su selección, o volver a cualquier página para hacer cambios. Si desea votar por una persona cuyo nombre no aparece en la palaleta, toque "write-in" y un teclado aparecerá en la pantalla.

6. Ha completado el proceso de votar por pantalla táctil electrónico. Devuelva su tarjeta de acceso al voto y déla al trabajador de la mesa.

Your move next and return it to the poll workers.
Directions for Voting on the Voting Machine

1. Press the start button to begin voting process. The display will indicate that you are ready to
begin voting. To begin voting, press the “Start” button at the top left corner of the
ballot screen.
2. Before you begin the voting process, you can magnify or change the contrast of your
ballot to help increase readability.
3. Touch the box on the screen next to your choice. An “X” will appear designating your selection.
4. In the Summary Page, review your choices. If any page shows a box highlighted, you have
missed a selection. To make a selection, touch the box again.
5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may
not make further changes or vote again.
6. You have completed the electronic touch screen voting process.

Your next moves are:
- If you want to change your selection, touch the box again.
- If you want to cast your ballot, touch “Cast Ballot.”

For more information, please refer to the sample ballot on the next page.

Illinois Municipal Primary, March 18, 2020

Democratic - Democrático

1. Ponga la tarjeta de acceso de votante en el lector de los dispositivos de la papeleta para
iniciar la votación. Cuando la pantalla indique que está listo para votar, pulse el botón “Empiece” y
vaya a la pantalla siguiente para continuar.
2. Antes de empezar a votar, puede aumentar la magnificación o cambiar la contraste de su
papeleta para mejorar el legibilidad.
3. Toque el cuadrado en la pantalla para seleccionar su opción. Aparecerá un “X” para indicar su
selección.
4. En la Página de la Revista, revise sus selecciones. Si hay una opción resaltada, ha
olvidado hacer una elección. Para hacer una elección, toque el cuadrado otra vez.
5. Toque “Registre los Votos” cuando está listo para registrar su voto. Después de tocar este
botón, sus votos están registrados, y no puede cambiar lo que ha seleccionado.
6. Ha terminado el proceso de votación electrónico a través de la pantalla táctil.

Para cambiar o cancelar su selección, toque el cuadrado otra vez y haga otra selección.

Para empezar a votar, toque el botón “Empiece” en la pantalla. Utilice el botón “Próximo” para
ver cada pantalla hasta el final de la papeleta.

Para iniciar la votación, pulse el botón “Empiece” en la pantalla. Utilice el botón “Siguiente” para
ver cada página hasta el final de la papeleta.

For more information, please refer to the sample ballot on the next page.

Vote por UNO cargo por la Municipal Primary Election held on Tuesday, May 16th, 2017, 7:00 am to 8:00 pm, Polls Open.
1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability. Touch "Magnify" or "Contrast" button or the "Magnify" or "Contrast" icon on your screen to magnify or change the contrast of your ballot.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

4. If within 2 minutes you have not selected anything, you will leave the screen and the words "Not Ready" and a clock will appear on the screen. The normal voting screen will return and the name you entered will appear as the choice for that particular race.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not change or undo your vote.

6. You have completed the electronic touch screen voting process. You are now at the "Thank you" screen. Return your voter access card and voted ballot to the official where you received it.

7:00 am to 8:00 pm
Polls Open

Illinois Municipal Primary, 10/18/16
Democratic para Votar en la Maquina de Votar

Democratic - Democratico

1. Batte el boton de accion para iniciar el voto en una vuelta de la pantalla. Esto permitira que el voto se registre y no podra cambiar en la pantalla.
2. Antes de empezar el proceso electoral, usted puede aumentar o cambiar el contraste de la pantalla para mejorar la legibilidad. El botón "Aumentar" o "Cambiar el contraste" de la pantalla será seleccionado.
3. Toque el cuadrado en la pantalla junto a su selección. Un "X" aparecerá designando su selección.
4. Si no toca nada en 2 minutos, la pantalla regresara al normal de votacion y el nombre que escribio aparecera como el candidato por el cargo apropiado.
5. Toque "Cast Ballot" cuando esté listo para registrar su voto. Una vez seleccionado "Cast Ballot", no puede cambiar ni anular su voto.
6. Usted ha completado el proceso de votacion en la pantalla táctil. Regrese su tarjeta de acceso y el boletín votado al funcionario donde los recibio.

7:00 am to 8:00 pm
Polls Open

Quite su tarjeta del acceso de votante y devuélvalo al oficial encargado.
To begin voting,

1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve the legibility of your ballot. This will improve the "look" your printer or the system. You can use the "Zoom" bar to help you read the ball.

3. To change or cancel your selection, touch the box again and make another selection. If you make a mistake, re-toc the proper page to cast your vote.

4. Touch "Back" to review previous pages.

5. To change or cancel your selection, touch the box on the screen next to your choice. An "X" will appear designating your selection. If you want to erase a selection, touch the box again and make another selection.

6. El proceso de votar por tocar está completo. Sus votos están registrados, y no puede cambiar más.

Remove your voter access card and return it to the poll worker.
Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen.

2. Before starting the process, you may adjust or change the contrast of your ball to help

   accommodate your vision.

3. When the voting process begins, you must answer the "How long do you want to stay in

   the system?" question on the system. You must use the "Next" button to reach the end

   of the system. If you decide to stay in the system, you may change your vote at the

   discretion of the voter.

4. The voter will explore the ballot, which is laid out on the screen. The voter has a

   "Next" button to advance the screen. There is a "No" option that can be selected.

5. If you want to move the cursor, select "Move Right" and keyboard will appear on the

   screen. You then can move the cursor using the "Move Right." The cursor will appear

   on the screen and the name you entered will appear on the cursor.

6. To change or cancel your selection, touch the box again and make another selection.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.

7. You can add another candidate to your ballot by selecting "write-in," then you will be

   allowed to enter the name of the candidate you have selected.

   You must complete the this entry before you arrive to the next race.

   Remove your voter access card and return it to the poll worker.

   You cannot make further changes or vote again.

   Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected

   you may touch the desired race you would like to change and you will be taken back to

   the proper page to cast your vote. If you want to vote for a race that was left blank,

   incomplete, or change your vote for any race, just touch "Cast Ballot" to accept your

   choices.

   Items in red are races that were left blank or incomplete.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.

   To change or cancel your selection, touch the box again and make another selection.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.

   To change or cancel your selection, touch the box again and make another selection.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.

   To change or cancel your selection, touch the box again and make another selection.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.

   To change or cancel your selection, touch the box again and make another selection.

   The normal voting screen will return and the name you entered will appear as the

   choice for that particular race.
To begin voting, place the ballot securely in the access slot.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve the legibility of your choices. To magnify the "Write-In" text on your screen, use the "Write-In" letter to select the "Write-In" option on the right side of the ballot. The "Write-In" screen will appear. If you would like to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race you wish to vote for and the "Write-In" option will appear. Your vote will then appear in the appropriate section of the ballot. If you want to vote for a race that was left blank or incomplete, or if you wish to change your vote for any race, just touch the race you wish to vote for and the "Write-In" option will appear. Your vote will then appear in the appropriate section of the ballot.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection. The card should be face-up with the arrow pointing left.

4. On the Summary Page, review your choices. Touch "Back" to review previous pages.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

6. You have completed the electronic touch screen voting process. Quite your access card and return it to the official designated.

Illusión Municipal Primaria, 16 de mayo, 2017

Direcciones para Votar en la Máquina de Votar

1. Coloque el acceso de votante en la ranura arriba a la derecha de la pantalla. Meta la tarjeta con el señalar arriba y indicando a la izquierda.

2. Antes de empezar el proceso de votación, puede mejorar o cambiar la legibilidad de su papeleta para facilitar la lectura. Para mejorar el texto "Nombre de Candidato" en su pantalla, utilice la letra "Write-In" en el teclado aparecerá en la pantalla electoral normal y el nombre que usted entró al teclado aparecerá en la pantalla. Escriba el nombre de su candidato escribido por tocando las letras, y toque "Registre Selección Personal." La pantalla electoral normal volverá y el nombre que usted escribió aparecerá en el aparato de votación.

3. Toque la casilla en la pantalla correspondiente a su elección y aparecerá un "X" indicando su selección. La tarjeta debe estar boca arriba con el indicador apuntando hacia la izquierda.

4. En la Página de la Revista, revise sus elecciones. Si aparece resaltado, toque el cargo apropiado. Si la tarjeta está en blanco o incompleta, o si quiere cambiar su voto, toque el cargo que desea cambiar y la página apropiada aparecerá en la pantalla. Toque "Registre Elección." La pantalla electoral normal volverá y el nombre que usted escribió aparecerá en el aparato de votación.

5. Toque "Registre Elección." El aparato de votación volverá y el nombre que usted escribió aparecerá en el aparato de votación.

6. Después de revisar cada una de las opciones y estar seguro de su decisión, el aparato de votación volverá a la pantalla electoral normal y su tarjeta de votación quedará incorporada.

7:00 am to 8:00 pm

Pools Open
Directions for Voting on the Voting Machine

1. Place your voter access card into the right side slot of the screen.
   Press the “Start” button to begin the process.

2. Before starting the voting process, you may adjust or change the contrast of your screen to help improve visibility.
   Push the “Change Contrast” button to adjust the contrast.
   Use the “Increase Contrast” and “Decrease Contrast” buttons to customize the contrast.

3. For an easier reading process, you may alter the size of your text by selecting “Change Text Size”.
   This option allows you to select a larger font size for a better reading experience.
   Use the “Increase Font Size” and “Decrease Font Size” buttons to change the text size.

4. The screen is designed to allow you to vote for a race that was left blank or incomplete, or to change your vote for any race.
   If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race that you want to vote for.
   The normal voting screen will return and the name you entered will appear as the choice for that race.
   If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen.
   Type the write-in you would like, then select “Record Write-In.”
   After selecting “Record Write-In,” a pop-up message will appear on the screen, allowing you to confirm the write-in choice.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may go back to previous pages.
   To do this, touch the “Back” button to return to the previous page.
   Touch the “Next” button on the screen. You will use the “Next” button to see each page.
   Touch the “End” button to end your vote. Touching “End” will prevent you from making any further changes or voting again.

6. After selecting your choices, touch “Register the Vote” to confirm your selections.
   To cancel this process, touch “Cancel Vote” to return to the previous page.

7. Once you are ready to vote, touch “Start”.

Elecciones para voter en la Municipal de Tucson

Votar por no más de DOS

El tiempo de votación será de 7:00 a.m. a 8:00 p.m.

Polls Open
To begin voting, increase readability. Push the card firmly in until it clicks. The card should be face-up with the arrow pointing left.

6. You have completed the electronic touch screen voting process. Your vote.

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

To change or cancel your selection, touch the box again and make another selection.

You can also write-in a candidate by selecting "write-in" and a keyboard will appear on the screen. Enter the write-in candidate you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In." To change or cancel your selection, touch the box again and make another selection.

The expiring voting session will work and the same voter will appear at the bottom of the screen.

6. El proceso de votar por tocar está completo. Sus votos están registrados, y no puede cambiar más.

5. Toque "Registre los Votos" cuando usted está listo para registrar su voto. Después de tocar este botón, sus votos están registrados, y no puede cambiar más.

Si usted quiere votar por una persona cuyo nombre no aparece en la papeleta, toque "write-in," y un teclado aparecerá como candidato por el cargo apropiado.

Para cambiar o cancelar su selección, toque el cuadrado otra vez y haga otra selección.

3. Toque el cuadrado en la pantalla junto a su selección. Un "X" aparecerá junto a su selección.

You have completed the electronic touch screen process. Return your vote now and cast it to the die-glad voters.

Vote por no más de CUATRO

4. Haga el voto para las personas que deseas votar. Asegúrese de tocar los cuadrados para cambiar o cancelar su selección.

Si desea cambiar o cancelar su selección, vuelva a tocar el cuadrado para hacer otra selección.

You have completed the electronic touch screen process. Return your vote now and cast it to the die-glad voters.

Vote por no más de TRES
To begin voting,

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve its legibility. Touch “M” to magnify and “C” to change the contrast. An “M” will appear diagnosing your screen magnification level and an “X” will appear diagnosing your screen contrast. If you would like to return your screen to default settings, touch “Reset Contrast/Zoom”.

The normal voting screen will return and the name you entered will appear as the choice for that candidate. Items in red are races that were left blank or incomplete.

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

5. If you would like to review your selections, touch “Back” to review previous pages.

6. El proceso de votar por tocar está completo. Boton, sus votos están registrados, y no puede cambiar mas.

Remove your voter access card and return it to the poll worker.
**Democratic - Democrático**

**Republican - Republicano**
To begin voting,
1. Insert voter access card into slot at upper right side of the screen. Remove your voter access card and return it to the poll worker.
2. Before starting the voting process, you may adjust the contrast of the display. Find the small square that is checked in the upper right hand corner of the display, and move the square up or down to increase or decrease brightness. You may also change the display by touching "Settings". Once the display is set to your preference, touch "Setup" to set the display back to your preference. If you would like to select a candidate after "Análisis" and a keyboard appear on the screen, you may use the keyboard to enter a new name. If you then touch the name you entered, you will be taken back to the proper page to cast your vote.

The normal voting screen will return and the name you entered will appear as the choice for that race. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type in the name of the write-in candidate and touch "Enter". The write-in candidate name will appear on the ballot page until you reach the end of the ballot.

3. Touch "Back" to review previous pages. You will use the "Next" button to see each page.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.
