Directions for Voting on the Voting Machine

1. Insert voter access card and move it as an access right to the screen.
   The card should be kept up against the screen pouring light.
   Push the card firmly in until it clicks.
2. Before you begin to vote, you may review the contents of your ballot to help
   ensure that you are voting for the candidate or candidates of your choice.
   To change or cancel your selection, touch the box again and make another selection.

3. Touch “Next” on the screen to move to the next page. An “N” will appear designating your selection.
   To change or cancel your selection, touch the box again and make another selection.
   If you would like to enter a candidate’s name, “write-in,” and a check box will appear on the screen.
   Tap the write-in you would like to select “Write-In Vote”.
   The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

4. Touch the “Next” button on the screen. You will use the “Next” button to see each
   page until the end of the ballot.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may
   touch the desired race you would like to change and you will be taken back to the proper page to cast
   your vote for that race.

6. You have completed the electronic touch screen voting process.

Remove your voter access card and return it to the poll worker.

the screen. Tap the write-in, you may select the “Write-In”.

To return to a previous page, you can touch “Back” or “Next” to view previous pages.
Sample Ballot

For the General Primary ballot on Tuesday, May 15th, 2018
in the County of Lehigh, Commonwealth of Pennsylvania
City of Allentown, 8th Ward, 1st District

Directions for Voting on the Voting Machine

1. Insert voter access card into slot on upper right of the screen.
The card should be laid on the slot so that the printer reading contacts make contact with the card. Pull the card firmly until it clicks.
2. Before you begin the voting process, you may verify or change the内容 of your ballot by using the "Next" button. You will see the "Next" button on the "Summary Page" until you reach the end of the ballot.
3. Touch the box on the screen next to your choice. An "X" will appear designating your selection. To change or cancel your selection, touch the box again and make another selection. To change or cancel your selection, touch the box again and make another selection.
4. On the Summary Page, review your choices. If any race appears with a box filled in, that is the choice for that particular race.
5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may vote for ONE candidate per race. The normal voting screen will return and the name you entered will appear as the choice for that particular race.
6. If the voter access card is not inserted, the next button will not be visible. If you would like to enter a candidate who "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In." The normal voting screen will return and the name you entered will appear as the choice for that particular race.
7. The card should be face-up with the arrow pointing left. Place the access card into the card reader. Quite your access card in the card reader and return it to the official who processed your access card. The voter access card will be returned to you after you have voted. You will receive your voter access card and return it to the poll worker.
1. Insert voter access card into slot at upper right side of the screen.

Your vote is not secret. It shows your name in the County's voter file.

The card should be face-up with the arrow pointing left.

Put the card firmly in until it clicks.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve its legibility.

Push the card firmly in until it clicks.

To change or cancel your selection, return the bill again and make another selection.

If you would like to see a candidate's full name, select "view," and a keyboard will appear on the screen.

Type the write-in you would like, then select "record write-in." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Write the name of your candidate then select "record write-in." To change or cancel your write-in selection, return the ballot to the screen. The name you entered will appear as the choice for that particular race.

3. To change or cancel your selection, return the bill again and make another selection.

The normal voting process will return and the name you entered will appear as the choice for that particular race.

4. Type the write-in you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Write the name of your candidate then select "record write-in." To change or cancel your write-in selection, return the ballot to the screen. The name you entered will appear as the choice for that particular race.

5. Touch "Back" to see previous pages.

6. Touch "Next" button on the screen.

You will use the "Next" button to see each race.

For each race, you may vote for ONE candidate. To vote for more than one candidate for a race, see the "Write-In" section of the voting machine.

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race you want to vote for and select "Regrese." The name you entered will appear as the choice for that race.

If you want to vote for more than one candidate or you want to vote for a race that was left blank, you will use the "Next" button to see each race.

To change or cancel your selection, return the bill again and make another selection.

If you would like to see a candidate's full name, select "view," and a keyboard will appear on the screen.

Type the write-in you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Write the name of your candidate then select "record write-in." To change or cancel your write-in selection, return the ballot to the screen. The name you entered will appear as the choice for that particular race.

Choose "Back" if you want to go back to a previous page.

If you have completed the electronic touch screen voting process, remove your voter access card and return to the poll worker.
1. Insert voter access card and then tap either right or left arrow in the center.

The card should be face up with the arrow pointing left. Push the card firmly in until it clicks.

2. Before you begin the voting process, you can make sure you check your ballot to help you avoid voting errors. This will enter the "Next" button on a new page until you reach the end of the ballot.

3. Touch "Back" on the same menu to review your selection. An "N" will appear diagnosing your selection.

4. To change or correct your selection, touch the line again and make another selection. If you would like to enter a candidate’s name, "enter" and a keyboard will appear on the screen.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

6. You have completed the electronic touch screen voting process. Remove your voter access card and return it to the poll worker.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen.

To begin voting, touch "Next" on various positions.

7. On the Summary Page, review your choices. You have successfully completed your vote. After touching "Next", your vote is counted and your ballot is printed.

8. You completed the electronic touch screen voting process.

To improve the legibility of your ballot.

For any questions you encountered, please contact the Lehigh County Voter Services at 610-779-5500.

Note: If you want to vote for someone other than those listed on the machine, you can write their name down on a piece of paper and give it to the poll worker.

6. The card should be face-up with the arrow pointing left.

2. Antes de empezar el proceso electoral, usted puede aumentar o cambiar el contraste de la pantalla para mejorar la legibilidad de su papeleta.

3. Quite su tarjeta del acceso de votante y devuélvalo al oficial encargado.

4. Diríjase a su mesa de votación. Para cambiar o cancelar su selección, toque el cuadrado otra vez y haga otra selección.

6. Sitúe su tarjeta de votación de forma que el borde superior quede hacia arriba y el extremo inferior hacia usted. Para cambiar o eliminar su elección, toque el cuadrado otra vez y haga otra selección.

7. Touch “Back” when you are done to record your vote. Once “Back” is touched you may not make further changes or vote again.

8. Use your voter access card and insert it into the access slot on the left side of the screen.

6. You have completed the electronic touch screen voting process. Remove your voter access card and insert it into the access slot on the left side of the screen.
1. Insert your voter access card into the slot at the right of the screen.

The card should be face-up with the arrow pointing left.

Press the card firmly until it clicks.

2. Before you begin the voting process, you may augment or change the content of your ballot to help improve the visibility of your votes.

Touch the "Back" button on the red screen until you reach the ballot page where you made the end of the ballot.

3. Touch "Back" on the screen main to view choices. An "X" will appear designating your selection.

To change or cancel your selection, touch the box again and make another selection.

If you would like to enter a candidate, select "write-in" and a keyboard will appear on the screen.

Type the write-in you would like, then select "Record Write-In."

To change or cancel your selection, touch the box again and make another selection.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

Type "Back" on various previous pages.

4. On the Summary Page, review your choices.

Items in red are races that were left blank or incomplete.

To change or cancel your selection, touch the box again and make another selection.

If you want your name to show up in the write-in box, click the "Write-In" button. If you want to vote for a candidate that will appear on the public record, touch "write-in," and the write-in you want will appear in the public record. To change a write-in, touch the box again and make another selection.

5. The "Back" button on the red screen until you reach the ballot page where you made the end of the ballot.

6. You have completed the electronic touch screen voting process.

Remove your voter access card and return it to the poll worker.

If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen.

Type the write-in you would like, then select "Record Write-In."

To change or cancel your selection, touch the box again and make another selection.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

Type "Back" on various previous pages.

In the Pledge of Allegiance, worries are unripe. If multiple cargo appears invaluable, we indicate your cargo is of high status and incomparable. If you want every cargo for your list, rework the cargo that your campaign, touch the cargo that your campaign, and the page you are viewing will appear on the screen. Dismiss of these issues, then works as unripe candidates, and we provide an update.

If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen.

Type the write-in you would like, then select "Record Write-In."

Sample Ballot

Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen. The card should be face up with the arrow pointing left.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve vision. To do so, touch the "Next" button until you reach the end of the ballot.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

4. To change or cancel your selection, touch the box again and make another selection.

5. To begin voting, touch the button "Empieza" on the page. For each page, your ballot remains active until you reach the end of the ballot.

6. The process of voting is complete. Your votes are registered, and you cannot change them or vote again.

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just:

1. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

2. Touch the box in the write-in. Type the write-in you would like, then select "Record Write-In.

3. To change or cancel your selection, touch the box again and make another selection.

4. On the Summary Page, review your choices. Touch "Back" to review previous pages.

5. To make further changes or vote again, touch the box on the screen next to your choice.

Remove your voter access card and return it to the poll worker.
Directions for Voting on the Voting Machine

1. Insert your access card and use it as an access code to begin.

The card should be tapped against the access parking area.

Push the card firmly in until it clicks.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve your ability to see the information on your ballot.

Push the card firmly in until it clicks.

3. After you preview the ballot, you will review the candidates that are running for the particular race. If you would like to vote for a candidate, select “vote” and a keyboard will appear on the screen.

Tap the vote in you would like, then select “Record Vote.”

The normal voting process will continue and the name you entered will appear as the choice for that particular race.

4. To change or cancel your selection, touch the box again and make another selection.

You can make your new selection on the screen or touch “Back” to return to the previous page.

5. Touch “Cash” if you are unsure on how to record your vote. Once “Cash Ballot” is selected you may not make further changes or vote again.

You have completed the electronic touch screen voting process.

Return your access card and insert it in the pull mechanism.

1. Insert voter access card and enter at top right side of the screen. The card should be up against the screen paneling. 

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve readability. To change or cancel your selection, touch the box again and make another selection.

3. Touch “Back” to see previous pages. To change or cancel your selection, touch the box again and make another selection. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

4. On the Summary Page, review your choices. If you like, you can magnify or change the contrast of your ballot to help improve readability. Touch “Back” to review previous pages.

Remove your voter access card and return it to the poll worker. You cannot make further changes or vote again. If you make an error, you can change or cancel your selection. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. To change or cancel your selection, touch the box again and make another selection. Type the write-in you would like, then select “Record Write-In.” If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Touch “Write-In” to see previous pages. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

The normal voting screen will return and the name you entered will appear as the choice for that particular race. Select the candidate whose name appears on the ballot. If you select a candidate whose name does not appear on the ballot, the screen will return to the write-in screen, and you can type in the write-in candidate whose name does not appear on the ballot, and then select “Record Write-In.” If you select a candidate whose name does not appear on the ballot, the screen will return to the write-in screen, and you can type in the write-in candidate whose name does not appear on the ballot, and then select “Record Write-In.”

1. Insert voter access card into slot at upper right side of the screen. The card should be up against the screen paneling. 

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve readability. To change or cancel your selection, touch the box again and make another selection. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

3. Touch “Back” to see previous pages. To change or cancel your selection, touch the box again and make another selection. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

4. On the Summary Page, review your choices. If you like, you can magnify or change the contrast of your ballot to help improve readability. Touch “Back” to review previous pages.

Remove your voter access card and return it to the poll worker. You cannot make further changes or vote again. If you make an error, you can change or cancel your selection. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Touch “Write-In” to see previous pages. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

The normal voting screen will return and the name you entered will appear as the choice for that particular race. Select the candidate whose name appears on the ballot. If you select a candidate whose name does not appear on the ballot, the screen will return to the write-in screen, and you can type in the write-in candidate whose name does not appear on the ballot, and then select “Record Write-In.” If you select a candidate whose name does not appear on the ballot, the screen will return to the write-in screen, and you can type in the write-in candidate whose name does not appear on the ballot, and then select “Record Write-In.”

1. Insert voter access card into slot at upper right side of the screen. The card should be up against the screen paneling. 

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve readability. To change or cancel your selection, touch the box again and make another selection. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

3. Touch “Back” to see previous pages. To change or cancel your selection, touch the box again and make another selection. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.

4. On the Summary Page, review your choices. If you like, you can magnify or change the contrast of your ballot to help improve readability. Touch “Back” to review previous pages.

Remove your voter access card and return it to the poll worker. You cannot make further changes or vote again. If you make an error, you can change or cancel your selection. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Touch “Write-In” to see previous pages. To begin voting, touch the button “Start” at the screen. Use the “Next” button to see each page of your ballot. After you make your selections, you can change your vote or vote again. Once your vote is entered, it cannot be changed or cancelled.
You have completed the electronic touch screen voting process. You may not make further changes or cast another vote.

1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help accommodate any needs. To begin voting, touch the "Empiece" button on the screen. If you wish to change or cancel your selection, touch the desired race you would like to change and you will be taken back to the proper page to cast your vote again.

3. Touch the square in the box next to your choice. An "X" will appear designating your selection. To change or cancel your selection, touch the box again and make another selection.

4. If you would like to enter a write-in candidate, select "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In."

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote again.

6. You have completed the electronic touch screen voting process.

Return your voter access card and access the ballot to vote.
1. Insert voter access card into the access slot at the top right of the screen.

The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you can increase or decrease the contrast of your ballot to help it easier to see.

Press the card firmly, it will click in.

3. On the Summary Page, review your choices.

To change or cancel your selection, touch the box again and make another selection.

4. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may not make further changes or vote again.

5. Touch “Registra los Votos” when you are ready to record your vote. Once “Registra los Votos” is selected you may not make further changes or vote again.

6. The normal voting screen will return and the name you entered will appear as the choice for that particular race.

To change or cancel your selection, touch the box again and make another selection.

If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen.

Type the write-in you would like, then select “Record Write-In.”

If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the box on the screen next to your choice. An “X” will appear designating your selection.

You have completed the electronic touch screen voting process. You are not allowed to make further changes or vote again.

To change or cancel your selection, touch the box again and make another selection. To change your vote, touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

Items in red are races that were left blank or incomplete.

If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Type the write-in you would like, then select "Record Write-In." To change or cancel your selection, touch the box again and make another selection.

Vote for ONE candidate in each race. To change your vote, touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

Your vote is recorded once you touch "Registre los Votos." If you make any errors, you may correct them before touching "Registre los Votos." To correct an error, touch "Regresa" for the General Primary held on Tuesday, May 15th, 2018.
1. Insert voter access card into slot at upper right side of the screen.
   
   The card should be face-up with the arrow pointing left.
   
   Push the card firmly until it clicks.
   
2. Before you begin the voting process, you may navigate or change the content of your ballot to help
   
   ensure that you vote for the correct candidates.
   
   To change or cancel your selection, touch the box again and make another selection.
   
   Tap the write-in field if you would like to select "Write-In".
   
   The normal voting process will return and the write-in option will appear as the choice for that
   
   particular race.
   
3. Touch the box on the screen next to your choice. An “X” will appear designating your selection.
   
4. On the Summary Page, review your choices.
   
   To change or cancel your selection, touch the box again and make another selection.
   
   Tap the write-in field if you would like to select "Write-In ".
   
   The normal voting process will return and the write-in option will appear as the choice for that
   
   particular race.
   
5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may
   
   touch the desired race you would like to change and you will be taken back to the proper page to cast
   
   your vote.
   
6. The process of voting is complete. The ballot will be printed and recorded on record.
   
   The card should be face-up with the arrow pointing left.
   
   Insert voter access card into slot at upper right side of the screen.
   
   The card should be face-up with the arrow pointing left.
   
   Push the card firmly until it clicks.
1. Insert voter access card into slot at top right corner of the screen.

The card should be left in the slot until the voting session is complete.

Put the card firmly into the slot and it will click.

To remove your voter access card and return it to the poll worker.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability.

To begin voting, touch the "Start" button on the screen. You will use the "Next" button to see each page of your ballot.

3. Touch the square in the ballot box next to your selection. A "X" will appear designating your selection.

To change or cancel your selection, to be seen again and make another selection.

If you would like to select a candidate whose name your access card appears.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

Touch "Back" to see previous pages.

4. On the Summary Page, review your choices.

Home to see all recent changes made on your access card.

If you would like to make further changes or vote again, touch the "Next" button on the screen. To see each page of your ballot.

5. Touch "Cast Ballot" when you are ready to record your vote.

Once "Cast Ballot" is selected you may not make further changes or vote again.

To change or cancel your selection, touch the box again and make another selection.

To do this, you would need to select the correct box, then touch the "Write-in" box.

If you would like to vote for a candidate whose name is not on the ballot, touch the "Write-in" box.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

To vote for ONE member of the Democratic State Committee - At Large, touch the box next to "Write-in." You may then make further changes or vote again.

6. You have completed the electronic touch screen voting process.

Remove your voter access card and return it to the poll worker.
1. Insert voter access card into slot at upper right side of the screen.

   The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you can make any change or correction to your ballot to help

   ensure that your vote is counted correctly. A “!” will appear diagnosing any admission.

3. Touch “Touch” on the next screen to make a choice. An “X” will appear designating your selection.

4. Touch “Back” to review previous pages.

5. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just

   touch the race you would like, then select “Record Write-In.”

6. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen.

   Type the write-in you would like, then select “Record Write-In.”

7. “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may

   not make further changes or vote again.

8. Press the “Enter” key on the voter access card.

   The card should be face-up with the arrow pointing left.

   The normal voting screen will return and the name you entered will appear as the choice for that

   particular race.

9. To continue voting, touch “Next” on the next screen. An “X” will appear on your ballot.

   To change or cancel your selection, touch the race again and make another selection.

   For more information on voting in Pennsylvania, please visit the following website.

   www.election.state.pa.us

   Remember to vote early and often.

   Please vote wisely and vote today.

   Thank you for voting.

   Sincerely,

   Your Vote Counts.

1. Insert voter access card and then use your edges to guide the card into the slot.
The card should be in eye level with the arrow pointing left.
Put the card firmly and it will click.
2. Before you begin the voting process, you may change or change the contrast of your ballot in the
handicap, near or with a balloon.
Please click on the "Next" button on the top edge of the ballot page until you reach the end of the ballot.
3. Touch the back to return to your choice. Touch "Next" to leave your selection.
To change or change your choice, touch the "Back" button and then another selection will appear.
You may enter a write-in candidate, select "next" and a keyboard will appear on the screen.
Type the write-in you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen.
Type the write-in you would like, then select "Record Write-In.
4. On the Summary Page, review your choices.
Touch "Back" to review previous pages.
5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may
also change your vote or vote again.
6. You have completed the electronic touch screen voting process.
Touch "Back" to see previous pages.
7. On the Summary Page, review your choices.
You have completed the electronic touch screen voting process.
Remove your voter access card and return it to the poll worker.

Directions for Voting on the Voting Machine

1. Insert voter access card into slot at upper right side of the screen.

The card should be held up to the screen, facing the lens.

Put the card firmly in, and walk inside.

2. Before you begin the voting process, you may opt to change the content of your ballot to help

assure accuracy. To do so, touch the "X" beside the name you wish to remove. You then have

the "X" beside the name that was removed. Be sure to use the "X" button to erase a name from

ballot page until you reach the end of the ballot.

3. Touch "X" to remove a name from your selection. An "X" will appear designating your selection.

To change or amend your selection, remove the last name and make another selection.

If you would like to enter a candidate's name, "write-in" and a keyboard will appear on the screen.

Tap the write-in you would like, then select "Record Write-In.

The normal voting process will resume and the name you entered will appear as the choice for that

particular race.

4. On the Summary Page, review your choices.

Touch "Back" to review previous pages.

5. To begin voting, touch "Registra Selección Personal." The screen electoral normal volverá y el nombre que usted entró

incomplete, or if you want to vote for a candidate that was not shown on the ballot, touch the box

that the write-in would like, then select "Record Write-In.

The normal voting process will resume and the name you entered will appear as the choice for that

particular race.

To begin voting,

Before you begin the voting process, you can magnify or change the contrast of your ballot to help

increase readability.

1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin the voting process, you may opt to change the content of your ballot to help

assure accuracy. To do so, touch the "X" beside the name you wish to remove. You then have

To change a write-in, touch the desired race you would like to change and you will be taken back to the proper page to cast your vote. To change or cancel your selection, touch the box again and make another selection.
5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

Sample Ballot

United States Senator
Representative in Congress
Governor
Representative in the General Assembly
Borough or Township Commissioner
Representative in the General Assembly
Member of the Democratic State Committee
Member of the Republican State Committee

---

Primaries: Democratic, May 15, 2018

For more information or to vote absentee, visit

www.secretballot.org

Voting is from 7:00 am to 8:00 pm

Pollos Open
Directions for Voting on the Voting Machine

1. Insert your access card into the slot at the lower right of the screen.
   The card should be face up with the access panel facing up.

2. Push the card firmly in until it clicks.

3. Touch the box on the screen next to your choice. An “X” will appear designating your selection.

4. To change or cancel your selection, touch the box again and make another selection.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote.

6. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the race you would like to vote for and then touch “Cast Ballot.”

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

To begin voting, the machine will switch to the next ballot page until you reach the end of the ballot.

If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the name or name you would like, then select “Write-In Vote.”

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

To change or cancel your selection, touch the name or name entered again to return to the normal voting screen.

7. Touch “Finish” when you are ready to record your vote. Once “Finish” is selected you may not make further changes or selections.

8. You have completed the electronic touch screen voting process.

Remove your access card and return it to the poll worker.
1. Insert voter access card into slot at upper right side of the screen.

The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you may optionally change the content of your ballot to help ensure your vote is recorded correctly. To do so, touch the "Back" button at the bottom of the ballot page until you reach the end of the ballot.

3. Touch the box beside the race you wish to change. An "X" will appear designating your selection.

To change or cancel your selection, touch the box again to remove the selection.

4. If you would like to write in a candidate, select "write-in" and a keyboard will appear on the screen. Tap the space where you would like to enter the "Write-In" field.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

6. You have completed the electronic touch screen voting process.

Remove your voter access card and return it to the poll worker.

1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin voting process, you can magnify or change the contrast of your ballot to help increase readability.

3. To change or cancel your selection, touch the box again and make another selection.

4. In the Summary Page, review your choices.

5. Carefully check each race that you have filled in to make sure you have not left the race blank or incomplete. If you want to vote for a candidate who dejó blanco, or leave the race blank, you must leave the race blank in order to vote for that particular race.

6. The card should be face-up with the arrow pointing left.

7. Push the card firmly in until it clicks.

8. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen.

9. Type the write-in you would like, then select "Record Write-In."

Items in red are races that were left blank or incomplete.

It is very important that you vote for ONE候选人 por UNO, for each race.

Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability.

Término de 4 Años

Término de 6 Años

(Eligiendo Tres Hombres, Tres Mujeres, Más uno Sea Hombre o Mujer)

(Independientemente de Sexo)
1. Insert voter access card into slot as shown on right side of the screen.

   The card should be face-up with the name facing left.

2. Before you begin the voting process, you may swipe to view the content of your ballot to help you make your decision.

3. The first screen you should see is the "Touch" button on the screen. If you touch the "Touch" button on the screen, it will bring you to the next page of your ballot. If you touch the "Touch" button on the screen again, you will be brought to the previous page of your ballot. Touch the "Touch" button on the screen to see your choices.

4. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

5. To change or cancel your selection, touch the box again and make another selection.

6. You have completed the electronic touch screen voting process.

   You may not make further changes or vote again.

   Touch "Back" to review previous pages.

   Type the write-in you would like, then select "Record Write-In." If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen

   Tap the write-in you would like, then select "Write-In." The normal voting process will ensue and the name you entered will appear as the choice for that particular race.

   Touch "Back" to review previous pages.

   6. On the Summary Page, review your choices.

   The normal voting process will ensue and the name you entered will appear as the choice for that particular race.

   Touch "Back" to review previous pages.

   7. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or view pages.

   8. You have completed the electronic touch screen voting process.

   Remove your voter access card and return to the poll worker.
1. Insert access card and swipe on the access card reader. 

   The card should be fully inserted and not tilted. 

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase your readability. 

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection. 

4. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. 

   Type the name on the keyboard like this: "Robert White Jr." 

The normal voting screen will return and the name you entered will appear as the choice for that particular race. 

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may touch the desired race you would like to change and you will be taken back to the proper page to cast your vote. 

Items in red are races that were left blank or incomplete. 

The normal voting process will return and the name you entered will appear as the choice for that particular race. 

6. The card should be face-up with the arrow pointing left. 

   Push the card firmly in until it clicks. 

   The card should be removed from the access card reader. 

   Quite su tarjeta del acceso de votante y devuélvalo al oficial encargado.

5. T ouch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may record your vote.
6. You have completed the electronic touch screen voting process. Remove your voter access card and cast your vote.
1. Insert voter access card into slot at upper right side of the screen. The card should be face up with the screen pointing left. Push the card firmly, until it clicks.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help you see better. To change contrast or magnify, touch the “Zoom” button on the normal voting screen. The “Zoom” button will remain active throughout the ballot, until you reach the end of the ballot.

3. Touch the box next to your choice. An “X” will appear designating your selection. To change or cancel your selection, touch the box again and make another selection.

4. Touch the box on the screen next to your choice. An “X” will appear designating your selection. To change or cancel your selection, touch the box again and make another selection.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may not make further changes or corrections.

6. The process of voting is complete. Your votes are registered, and you cannot change them.

7. Touch “Cancel Ballot” when you are ready to record your vote. Once “Cancel Ballot” is selected you may not make further changes or corrections.

8. After completing the electronic touch screen voting process, remove your voter access card and return it to the poll worker.
1. Insert voter access card into the slot on the upper right corner of the screen.

The card should be aligned with the arrow painted on the slot.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability.

Push the card firmly in until it clicks.

3. Touch the square in the paleo at the lower left edge of the screen, which should be red. A “X” will appear beside your selection.

If you would like to change your selection, touch the square on the screen and another square will appear on the screen. Take the square to your mouth and hold it like a “Red Word Ballot.”

The normal voting process will follow and the name on your screen will appear as the choice for that particular race.

4. In the Summary Page, review your choices.

If any race appears on your ballot twice, you may not make further changes or vote again.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may not make further changes or vote again.

6. Enter your voter access card and return it to the poll worker.
1. Insert your access card into the slot on the right side of the papelet.

2. Before you begin the voting process, you can make sure to change the contents of your ballot to help ensure a successful vote. Touch the “Next” button to see the current page of the papelet until you reach the end of the ballot.

3. Touch the back bar on the last page to review your choices. An “N” will appear designating your selection.

4. To change or vote on your selection, select the bar again to make another selection. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen.

5. To enter an entry, select “Enter” and the entry will be added to your set.

6. You have completed the electronic touch screen voting process. Remove your access card and pass it to the poll worker.

10. Si tiene problemas para moverse por la página, puede tocar el botón “Siguiente”.

11. Si tiene problemas para moverse por la página, puede tocar el botón “Siguiente”.
Directions for Voting on the Voting Machine

1. Insert your voter access card and place it as an upright at the center of the screen. The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help improve its readability. To change your view or zoom, select “Menu” and a keyboard will appear on the screen. Type the command you would like, then select “Enter.”

3. Touch the “Start” button if you are ready to begin. After the “Start” button is selected you may, at any time during the voting process, return to the “Previous” button to return to the correct page.

4. On the Summary Page, review your choices.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may not make further changes or vote again.

6. You have completed the electronic touch screen voting process. Remove your voter access card and return it to the poll worker.

7. If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the ballot page until you reach the end of the ballot.

8. The card should be face-up with the arrow pointing left. Push the card firmly until it makes contact. If the card does not make contact, you will hear an audible tone, and the card will not appear on the screen.

9. The normal voting screen will return and the name you entered will appear as the choice for that particular race.

10. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the write-in you would like, then select “Record Write-In.”

11. If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the write-in you would like, then select “Record Write-In.”

If you would like to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the ballot page until you reach the end of the ballot.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the write-in you would like, then select “Record Write-In.”

If you would like to vote for a race that was left blank, incomplete, or change your vote for any race, just touch the ballot page until you reach the end of the ballot.

The normal voting screen will return and the name you entered will appear as the choice for that particular race.

If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the write-in you would like, then select “Record Write-In.”

1. Insert voter access card and tap the "enter" button at the top of the screen. The card should be face up with the corner pointing left. Push the card firmly in until it clicks.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability. To do this, tap the "touch" box on the screen two times. To change your magnification level or contrast, tap the "touch" box on the screen three times and use the "up" and "down" arrows to change the level. To turn off magnification or contrast, tap the "touch" box on the screen three times and use the "up" and "down" arrows to change the level. To return to normal magnification or contrast, tap the "touch" box on the screen two times. The normal voting screen will return and the name you entered will appear as the choice for that particular race.

3. Tap the square on the screen next to your selection. A "X" will appear next to your selection.

4. On the Summary Page, review your choices.

To view your vote, tap the "summary" button at the top of the screen. Your vote is registered, and you cannot change it until the end of the ballot. If you would like to write-in a candidate, select "write-in" and a keyboard will appear on the screen. Tap the text box you would like to change, then select "Record Whole Box." The normal voting screen will return and the name you entered will appear as the choice for that particular race.

5. Push the card firmly in until it clicks.

6. Print the name on your card and return it to the poll worker.

1. Ponga la tarjeta de acceso de votante en la ranura arriba y a la derecha de la pantalla. La tarjeta debe estar cara arriba con la esquina izquierda hacia usted. Empuje la tarjeta firmemente hasta que emita un clic.

2. Antes de empezar el proceso de votación, puede aumentar o cambiar el contraste de su hoja para ayudar a su lectura. Para hacer esto, toque el botón "touch" en la pantalla dos veces. Para cambiar su nivel de aumento o contraste, toque el botón "touch" en la pantalla tres veces y use las flechas "arriba" y "abajo" para cambiar el nivel. Para desactivar el aumento o el contraste, toque el botón "touch" en la pantalla tres veces y use las flechas "arriba" y "abajo" para cambiar el nivel. Para volver al aumento o al contraste normal, toque el botón "touch" en la pantalla dos veces. La pantalla de votación normal aparecerá y el nombre que introdujo aparecerá como la opción para ese cargo.

3. Toque el cuadrado en la pantalla junto a su selección. Un "X" aparecerá ante su selección.

4. En la Página de Resumen, revise sus selecciones. Si cualquier cargo aparece resaltado, toque el cargo que quiere cambiar y la págual aparecerá en blanco. Si quiere cambiar su voto por un cargo que dejó vacante, toque "write-in," y un teclado aparecerá en la pantalla. Toque el texto que quiere cambiar, luego "Record Whole Box." La pantalla de votación normal aparecerá y el nombre que introdujo aparecerá como la opción para ese cargo.

5. Toque el cuadrado en la pantalla junto a su selección. Si cualquier cargo aparece resaltado, toque el cargo que quiere cambiar y la págual aparecerá en blanco. Si quiere cambiar su voto por un cargo que dejó vacante, toque "write-in," y un teclado aparecerá en la pantalla. Toque el texto que quiere cambiar, luego "Record Whole Box." La pantalla de votación normal aparecerá y el nombre que introdujo aparecerá como la opción para ese cargo.

6. Imprima el nombre en su tarjeta y devuélvalo al personal de los meseros.
1. Insert voter access card into slot at upper right side of the screen.

2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help increase readability.

3. Touch the box on the screen next to your choice. An “X” will appear designating your selection.

4. In the Summary Page, review your choices.

5. To change or cancel your selection, touch the box again and make another selection.

6. You have completed the electronic touch screen voting process. Items in red are races that were left blank or incomplete.

T ouch “Back” to review previous pages.

Particular race.
The normal voting screen will return and the name you entered will appear as the choice for that particular race.

If you would like to write-in a candidate, select “write-in” and a keyboard will appear on the screen. Type the write-in you would like, then select “Record Write-In.” To change or cancel your selection, touch the box again and make another selection.

Directions for Voting on the Voting Machine

1. Insert your voter access card into the slot on the upper right of the screen.

   The card should be face up with the arrow pointing left.

   Place the card firmly in the slot.

2. Before you begin the voting process, you may make as many changes as you desire or change your vote for any race.

   To make changes, simply use the arrow keys to move to the specific race, then use the "Vote" button to vote on the other race, until you reach the end of the ballot.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

4. On the Summary Page, review your choices.

   If any race is left blank or incomplete, that race will not be counted.

   To change or cancel your selection, touch the race again, and the box will disappear.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may not make further changes or vote again.

   If you want to vote for a race that was left blank, incomplete, or change your vote for any race, just select the race in red. You may then change your votes for that particular race.

6. The process of voting by touch is complete. Your vote is registered, and you cannot vote again.

   To begin voting, touch the "Start" button on the screen. Utilize the "Next" button to view each page of the ballot.
1. Insert voter access card into slot on the upper right of the screen.
   The card should be face-up with the arrow pointing left.

2. Before you begin the voting process, you may swap the content of your ballot to help
   increase readability. Touch "Back" to review previous pages.

3. Touch "Start" to begin the voting process. An "X" will appear designating your selection.

4. In the Summary Page, review your choices.

   Items in red are races that were left blank or incomplete.

   Touch "Back" to review previous pages.

5. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may
   record your vote.

   The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

   To begin voting, touch the button "Start" on the screen. Use the button "Next" to view each
   page of your ballot until you reach the end of the ballot.

   The card should be face-up with the arrow pointing left.
   Push the card firmly in until it clicks.

  Remove your voter access card and return it to the poll worker.

   2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help
   increase readability.

   3. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may
   record your vote.

   The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

   To begin voting, touch the button "Start" on the screen. Use the button "Next" to view each
   page of your ballot until you reach the end of the ballot.

   The card should be face-up with the arrow pointing left.
   Push the card firmly in until it clicks.

   Remove your voter access card and return it to the poll worker.

   2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help
   increase readability.

   3. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may
   record your vote.

   The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

   To begin voting, touch the button "Start" on the screen. Use the button "Next" to view each
   page of your ballot until you reach the end of the ballot.

   The card should be face-up with the arrow pointing left.
   Push the card firmly in until it clicks.

   Remove your voter access card and return it to the poll worker.

   2. Before you begin the voting process, you can magnify or change the contrast of your ballot to help
   increase readability.

   3. Touch "Cast Ballot" when you are ready to record your vote. Once "Cast Ballot" is selected you may
   record your vote.

   The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

   To begin voting, touch the button "Start" on the screen. Use the button "Next" to view each
   page of your ballot until you reach the end of the ballot.

(Ultimo día de la Jornada de Votación)

(Término de 4 Años)
1. Insert voter access card into slot on upper right side of screen.

2. Before you begin the voting process, you may modify or change the content of your ballot by
   touching a race or you may choose to continue the voting process.

3. Touch the box on the screen next to your selection. An “X” will appear designating your
   selection.

4. On the Summary Page, review your choices.

5. Touch “Cast Ballot” when you are ready to record your vote. Once “Cast Ballot” is selected you may
   touch the desired race you would like to change and you will be taken back to the proper page to cast
   your vote.

6. You have completed the electronic touch screen voting process.

Items in red are races that were left blank or incomplete.

The normal voting screen will return and the name you entered will appear as the choice for that
particular race.

Push the card firmly in until it clicks.

Remove your voter access card and return it to the poll worker.

Vote for ONE

Primaire Generale, Mercredi, 15 Mai, 2018

Direction pour Vous en la Maquina de Votar

1. Ponga la tarjeta de acceso a mano en la mano derecha y déjela en el balotario.

2. Antes de que empiece a votar, puede modificar o cambiar el contenido de su balotario para
   lo previo indicado.

3. Toque el cuadrado de la pantalla junto a su selección. Un “X” aparecerá junto a su selección.

4. En la Página de Resumen, revise sus selecciones.

5. Toque “Emitir Votación” cuando esté listo para registrar su voto. Una vez seleccionado “Emitir Votación” se puede tocar de nuevo a la página para cambiar la selección.

6. Ha completado el proceso de votación en la pantalla táctil.

Items en rojo son carreras que se dejaron en blanco o incompletas.

El normal pantalla de votación se regresará y el nombre que ingresó aparecerá como candidato para ese cargo.

Empuje la tarjeta firmemente hasta que haga clic.

Remueva su tarjeta de acceso y devuélvala al personal del balotario.

SIGUIENTE PÁGINA 1 de 2
1. Insert voter access card and wait for a prompt to register the card. The card should be held up to the scanner facing left.

2. Before touching the voting screen, you can magnify or change the contrast of your ballot to help increase readability. Touch the "Menu" button at the bottom of your ballot page until you reach the end of the ballot.

3. Touch the box on the screen next to your choice. An "X" will appear designating your selection.

4. On the Summary Page, review your choices. To change or cancel your selection, touch the box again and make another selection.

5. Touch "Registre los Votos" when you are ready to record your votes. Once "Crate Ballots" is selected you may not make further changes or vote again.

6. You have completed the electronic touch-screen voting process. Remove your voter access card and return it to the poll worker.

1. Insert votación acceso y espere el prompt para registrar la tarjeta. La tarjeta debe sostenerla hacia la izquierda.

2. Antes de tocar la pantalla de votación, puede aumentar o cambiar el contraste de su papeleta para ayudar a aumentar la legibilidad. Toque el botón "Menú" en la parte inferior de su página de papeleta hasta llegar al final del papeleta.

3. Toque el cuadro en la pantalla a lado de su elección. Aparecerá un "X" para indicar su selección.

4. En la Página de la Resumen, revise sus selecciones. Para cambiar o cancelar su selección, toque el cuadro otra vez y haga otra selección.

5. Toque "Registra votaciones" cuando está listo para registrar su voto. Después de tocar esto, no puede hacer cambios ni votar de nuevo.

6. Ha completado el proceso de votación electrónico. Retire su tarjeta de acceso y devuélvala al personal del censo.

6. The normal voting screen will return and the name you entered will appear as the choice for that
   particular race.

7. Push the card firmly in until it clicks.

The card should be face-up with the arrow pointing left.

1. Ponga la tarjeta de acceso de votante en la ranura arriba y a la derecha de la pantalla.

2. Antes de comenzar, si el contenido de su voto no es correcto, puede cancelarlo o cambiarlo. Para
   hacerlo, toque el botón “Volver a la página de votación” en cualquier momento antes de tocar el
   botón “Terminar la votación”.

3. Toque el botón “Terminar la votación” en el pantalla next to your selection. Un “X” aparecerá
   diagnósticando su selección.

Para cambiar o cancelar su selección, toque el botón “Volver a la página de votación” y haga otra
selección.

Artículos en rojo son carreras que fueron dejadas en blanco o incompletas.

4. En la Página de la Reseña, revise sus selecciones. Si cualquier carrera aparece resaltada, indica
   que seleccionó a ese candidato.

Para cambiar o cancelar su selección, toque la caja otra vez y haga otra selección.

5. Toque “Emite la votación” cuando esté listo para registrar su voto. Una vez que “Emite la votación”
   es seleccionado, no puede hacer cambios adicionales o votar de nuevo.

6. La pantalla normal volverá a aparecer y su nombre aparecerá como el candidato para ese
   particular cargo.

7. Presione la tarjeta con el señalar arriba y indicando a la izquierda.
