CONSTITUTIONAL AMENDMENTS (All Registered Voters, All Districts)

Shall the Pennsylvania Constitution be amended to change existing law and increase the power of the General Assembly to unilaterally terminate or extend a disaster emergency declaration—and the powers of Commonwealth agencies to address the disaster regardless of its severity pursuant to that declaration—through passing a concurrent resolution by simple majority, thereby removing the existing check and balance of presenting a resolution to the Governor for approval or disapproval?

Shall the Pennsylvania Constitution be amended to change existing law so that: a disaster emergency declaration will expire automatically after 21 days, regardless of the severity of the emergency, unless the General Assembly takes action to extend the disaster emergency; the Governor may not declare a new disaster emergency to respond to the dangers facing the Commonwealth unless the General Assembly passes a concurrent resolution; the General Assembly enacts new laws for disaster management?

Shall the Pennsylvania Constitution be amended by adding a new section providing that equality of rights under the law shall not be denied or abridged because of an individual's race or ethnicity?

STATEWIDE REFERENDUM

Do you favor expanding the use of the indebtedness authorized under the referendum for loans to volunteer fire companies, volunteer ambulance services and volunteer rescue squads under 35 PA.C.S. Section 7378.1 (related to referendum for additional indebtedness) to include loans to municipal fire departments or companies that provide services through paid personnel and emergency medical services companies for the purpose of establishing and modernizing facilities to house apparatus equipment, ambulances and rescue vehicles, and for purchasing apparatus equipment, ambulances and rescue vehicles, protective and communications equipment and any other accessory equipment necessary for the proper performance of the duties of the fire companies and emergency medical services companies?

REFERENDUM QUESTIONS (All Registered Voters, City of Allentown Only)

Shall Section 701 of the City of Allentown Home Rule Charter be amended to permit City Council to appoint a City Council Solicitor such that Section 701 will read:

A. The Mayor shall appoint a City Solicitor who shall be a member of the bar of the Supreme Court of Pennsylvania and experienced in municipal law. The City Solicitor, as the Head of the Legal Department, shall serve as chief legal advisor to the Mayor and all City Departments and agencies, represent the City in all legal proceedings to which the City is a party, and shall perform such other duties prescribed by law, by this Charter and by the City Administrative Code.

B. The Mayor shall have the power, if needed, to engage other temporary Solicitors to represent the City as the need may be. Such appointments shall be temporary and shall be for the purpose of representing the City in specific legal matters.

C. City Council may appoint legal counsel to serve as City Council Solicitor to provide City Council with legal advice.

D. The City Solicitor shall direct and control the legal matters of the city

Shall Section 403, Subsection A and Subsection D of the City of Allentown Home Rule Charter be amended to authorize and permit the City Controller to initiate and conduct all manner of audits, including performance audits, without first being requested to do so by the Mayor or by City Council and to permit the City Controller to have access to any and all types of information necessary, including City payroll information, to conduct such audits?
