CDBG

The County of Lehigh is seeking applications from municipalities and non-profit organizations for projects benefiting Lehigh County residents living outside of the city limits of Allentown, Bethlehem, and Lower Milford Township. Enclosed you will find multiple grant applications. This packet includes program requirements, as well as the application forms that must be submitted for each project. If you will not be responsible for completing the application, please forward it to the appropriate person within your organization.

Applications are being accepted for all projects as listed on the attached eligible CDBG activities list. Funding determinations will be made in accordance with Lehigh County's Annual Plan Process.

Of particular interest, please be aware of scoring criteria for the following types of CDBG projects.

- Construction Projects
 - Projects located in a low- to moderate-income (LMI) municipality will receive priority consideration for funding. Municipalities designated as LMI are Catasauqua, Coplay, Hanover, Fountain Hill, Macungie, and Slatington.
 - Projects must meet one of Lehigh County's Five-Year Consolidated Plan goals.
 - Consideration will also be given to projects not located in an LMI community. Such projects should meet the following criteria:
 - Ability of the new project to be completed between January 1, 2025 and August 31, 2025.
 - Applicability to Lehigh County's Five-Year Consolidated Plan goals.
 - Hard cost match of 10% of request is dedicated by the applicant to completing project construction.
 - CDBG request doesn't exceed \$125,000.
- Public Service Projects
 - Projects not funded via FY 2023: applications will be accepted for new or existing services. Applications for existing services must prove at least a 40% quantifiable increase in the need for the service over the past 12 months.
 - On the CDBG application webpage, there are examples illustrating public services and quantifiable increase in need. Please reference this page, entitled "Quantifiable Increase for Public Services" for details on satisfying the documentation requirements.

- Projects funded via FY 2023 and asking for an increase in funding must provide data proving that there was at least a 40% quantifiable increase in the need for services over the past 12 months.
- Projects funded via FY 2023 and not asking for an increase in funding do not need to prove an increase in need.
- All projects must fit into Lehigh County's Five-Year Consolidated Plan goals and substantiate the ability to spend down the requested amount between October 1, 2024 and September 31, 2025.

Two separate CDBG applications are available. Except for agencies submitting a public service project, all applicants should complete the 'Public Facility, Construction and Other Projects' application. Applicants should also notice the other documents available for download from the webpage. Information within the documents will need to be referenced when completing the application.

All CDBG-funded projects are subject to an environmental review, which must be completed by the County before funds may be obligated by Grantees. Issues requiring remediation will need to be completed prior to the start of any project. Therefore, knowledge of any possible issues should be disclosed at time of application.

HOME

Enclosed you will find a HOME application, as well as an application for CHDOs (Community and Housing Development Organizations). Each application includes program requirements, as well as the forms that must be submitted for each project. Funding determinations will be made in accordance with Lehigh County's Annual Plan Process. HOME requires a 25% match.

All HOME-funded projects are subject to an environmental review, which must be completed by the County before funds may be obligated by Grantees. Issues requiring remediation will need to be completed prior to the start of any project. Therefore, knowledge of any possible issues should be disclosed at time of application.

The due date for all applications is **April 15, 2024**. Applications can be submitted via mail or email. Emails shall be directed to cyndiking@lehighcounty.org. **Applicants who choose to mail their submissions must include one original and one copy of the primary application**. Multiple copies of sundry supporting documents are not desired. Please do **not** use binders (three-ring or plastic binding). Mailed applications must be postmarked by April 15, 2024 in order to be considered for funding.

It is important to make CDBG and HOME applicants aware that the *submittal* of an application triggers federal regulations for the project. The applicant should assume, for planning purposes, that from the time of submittal of the application, federal regulations will apply to the project (e.g. procurement, environmental clearances, federal prevailing wages, providing documentation, etc.) Furthermore, applicants are not able to commit any funding, regardless of source, to the *overall* project until the applicant receives a certification from Lehigh County that the environmental review is clear. Committing funding to a project prior to receiving the certification can jeopardize an award of federal funding. Should the application ultimately not be funded, compliance with federal regulations will no longer apply to the project.

In the meantime, should you have questions or need technical assistance pertaining to the CDBG and HOME program, please do not hesitate to call me at (610) 871-1964.

Sincerely,

A handwritten signature in cursive script that reads "Laurie A. Moyer".
