RALC Mission Statement

The Redevelopment Authority of Lehigh County is focused on the goal of remediating and repurposing blighted properties in Lehigh County’s Boroughs and Townships. It accomplishes this work by partnering with elected and appointed officials, as well as the non-profit and private sectors to grow the tax base, provide opportunities for economic development, and increase the supply of housing. In doing so, the Authority will pursue a variety of financing and incentives to spur repurposing properties for productive uses and to sustain the organization going forward.
