INDEPENDENT AUDITORS' REPORT

To the Board of Directors Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries Bethlehem, Pennsylvania

We have audited the accompanying consolidated financial statements of Community Action Committee of the Lehigh Valley, Inc. (a nonprofit organization) and Subsidiaries, which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related consolidated notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issues by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The additional supplementary information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditional procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Buckens Lisicky & Co PC

In accordance with *Government Auditing Standards*, we have also issued our report dated March 19, 2021, on our consideration of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting and compliance.

Notes to the Financial Statements June 30, 2020 and 2019

NOTE 1. ORGANIZATION AND PURPOSE

Nature of Operations

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries (the "Organization") consists of five not-for-profit organizations incorporated under the laws of the Commonwealth of Pennsylvania. Major program revenue consists of private funds from utility contracts, corporate, foundation and individual contributions and governmental contracts. It is understood that any grantor or contributor could be lost in the near term.

Consolidation Policy

The accompanying consolidated financial statements include the accounts of the following companies, all of which are under common control, intercompany transactions have been eliminated from the consolidated financial statements:

COMMUNITY ACTION COMMITTEE OF THE LEHIGH VALLEY, INC. (CACLV)

CACLV is the parent corporation and a description of the Organization's programs is as follows:

Weatherization Program

The Weatherization Program is a collection of energy-related services designed to conserve energy and save money on home heating and cooling costs. The Program makes improvements to both single-family and multi-family homes, including infiltration prevention, water heater wraps, and insulation. To complement these physical improvements, the agency also educates residents in energy conservation and lead paint hazards. The Weatherization Program repairs or replaces heating systems in cold weather emergency situations for qualified low-income households.

OnTrack

CACLV administers PPL's Customer Assistance Program, OnTrack, which works with those low-income customers who accumulate an arrearage to establish a payment plan. During the households' participation in the program, the arrearage is forgiven, and service maintained. OnTrack ceased operations September 30, 2019.

Sixth Street Shelter/Turner Street Apartments/Ferry Street Apartments

The Sixth Street Shelter provides temporary housing (up to 60 days) for homeless families with children. Shelter staff assists families to stabilize their crisis, save money, relocate to permanent housing, and obtain other appropriate services such as job training and child care.

Turner Street Apartments in Allentown and Ferry Street Apartments in Easton provide long-term transitional housing (up to two years) for families that have been homeless. Services are similar to those offered at the Sixth Street Shelter; however, families in these programs are expected to pursue vocational training or education as a condition of their stay, with an intended outcome of economic self-sufficiency.

Second Harvest Food Bank of the Lehigh Valley and Northeast Pennsylvania (SHFB)

Second Harvest Food Bank of Lehigh Valley and Northeast Pennsylvania (Second Harvest) distributes food to more than 200 non-profit "member" agencies that provide food assistance to people in need. These agencies include soup kitchens, day care centers, homeless shelters,

Notes to the Financial Statements June 30, 2020 and 2019

residential rehabilitation services and emergency food pantries. As an affiliate of Feeding America (formerly America's Second Harvest), the national food bank network, Second Harvest has access to a portion of the millions of pounds of food solicited annually through the network. The food becomes available for a variety of reasons, including corporate generosity, food that is improperly weighed or packaged, product that is approaching the expiration date and producer's need for warehouse space. Additionally, Second Harvest solicits donations from local food producers, retailers, and private citizens.

Member agencies may acquire these products for free or for a shared maintenance fee of up to 16 cents per pound. Second Harvest is able to pick up donated product from donors and deliver the product to the member agencies.

■ <u>The Seed Farm</u> provides affordable access to critical and otherwise prohibitively expensive resources—such as land, infrastructure, equipment, and mentoring—thereby lowering the barriers to farm entry so that beginning farmers may pursue careers in agriculture. Since 2010, The Seed Farm has provided intensive, full-season training in production, marketing, business planning, and equipment operation to dozens of beginning farmers looking to start farms.

Community Action Financial Services (CAFS)

Community Action Financial Services aims to increase homeownership, stabilize neighborhoods, and build community wealth, particularly for minorities and low- to moderate-income households. This is accomplished through the provision of home ownership opportunities, which includes the Home Ownership Counseling Program that provides first-time homebuyer educational seminars; pre-purchase counseling; pre-settlement counseling; financial literacy education; and the Home Ownership Savings Account Program, which requires the participant to save \$20 per week for two years, for a total of \$2,000 that will be matched for a combined total of \$4,000 to be used toward purchasing an owner-occupied home. CAFS also provides foreclosure prevention services through the Foreclosure Mitigation Counseling Program, which provides counseling services to homeowners in default, at risk of default, or facing foreclosure. In addition, the Mortgage Foreclosure Diversion Program, operated by both Lehigh and Northampton County Court of Common Pleas, is a mediation program in the court systems available to owners of single-family homes in foreclosure.

SHE (She Has Everything)

SHE (an acronym for She Has Everything) is a strength-based empowerment program that assists girls to develop life skills that promote academic achievement, well-being, healthy relationships, resilience, teamwork, and leadership. The mission of SHE is to create an educational and inspirational environment in which girls build self-esteem, are empowered to change the dynamics in their personal relationships and the greater community, and seize control of their futures, ensuring healthy, fulfilling, and self-sufficient lives. The SHE program works with fifth grade girls at a local elementary school and is expanding to provide programming for middle school students.

Work Ready Program

Work Ready, the Supported Work Program, is designed to assist individuals with making the transition from welfare to work. The program offers these individuals job placement, job hunting skills training, and caseworker support.

Notes to the Financial Statements June 30, 2020 and 2019

Community Action Better Homes (CABH)

CACLV has developed a comprehensive housing revitalization initiative, Community Action Better Homes. CABH will incorporate some of CACLV's existing programs – Home Ownership Counseling, the Lehigh Valley Community Land Trust, Community Action Development Corporation of Allentown and Bethlehem and Slate Belt Rising's façade programs, and Weatherization – into a new structure consisting of a Marketing/Outreach/Sales Unit, a Housing Business Management Unit, and a Construction Management Unit. The aim of CABH is to focus resources in targeted areas of the City of Allentown, City of Bethlehem, Northampton County, and Lehigh County in order to undertake the following projects: acquisition/rehab/resale, owner-occupied rehab, owner-occupied facades, multi-unit facades, investor-owned rehabs, commercial facades, "porch paint" projects, and Land Trust duplexes from de-conversions. These improvements will be made to enhance the health, well-being, and quality of life of neighborhood residents; increase property values in the surrounding neighborhoods; and create wealth for the residents and revenue for the cities and counties.

Custody/ Subcontract Services

CACLV operates a rental assistance clearinghouse to facilitate and monitor the distribution of payments of rental assistance for the counties of Lehigh and Northampton.

Campaign for Racial and Ethnic Justice Program

The Campaign for Racial and Ethnic Justice was created to focus on the unique elements that hold people of color back in the pursuit of economic and social justice. Income and wealth disparity in our nation and community are too often drawn along color lines and CACLV created the campaign to seek remedies in the Lehigh Valley.

 Generation Next is a strategy designed to correct disparities in education by ensuring that underserved students have increased access to opportunities to attend postsecondary schools to further their educations.

Slate Belt Rising

Slate Belt Rising (SBR) is CACLV's multi-municipal neighborhood partnership, the first of its kind in the Commonwealth of Pennsylvania, encompassing the boroughs of Wind Gap, Pen Argyl, Bangor and Portland. SBR's focus includes the beautification of business districts, façade improvements, establishment of committees with community stakeholders, engagement of the region's youth, and relationship building with CACLV programs and other partners in the target areas.

Administration

Administration includes the management of the staff, programs, and finances of CACLV and the supportive services that accompany the agency's and subsidiaries' management. Community planning and advocacy are at the core of the agency's mission. Community Action Agencies have a historic purpose of promoting change and advocating for the interests of the poor. Funding for Administration and community planning and advocacy is provided primarily through the Community Services Block Grant (CSBG), although various other funding sources provide partial support.

Notes to the Financial Statements June 30, 2020 and 2019

The subsidiaries of Community Action Committee of the Lehigh Valley are as follows:

COMMUNITY ACTION DEVELOPMENT CORPORATION OF THE LEHIGH VALLEY, INC. (D/B/A COMMUNITY ACTION DEVELOPMENT CORPORATION OF ALLENTOWN (CADCA)

The mission of this Subsidiary is to assist and promote neighborhood revitalization and community spirit by providing access to economic opportunity, creating and sustaining businesses owned and operated by its neighbors, and empowering people to have a voice in the decisions that affect their lives. CADCA is engaged in community economic development that includes providing technical assistance, facilitating start-up financing, assisting with research, preparing business plans, offering services as needed for the creation of new businesses, and working with residents to determine neighborhood business needs and opportunities in Allentown.

COMMUNITY ACTION DEVELOPMENT CORPORATION OF BETHLEHEM, INC. (CADCB)

The mission of this Subsidiary is to promote social and economic change by fostering business and other economic opportunities within the community of south Bethlehem. CADCB is engaged in community economic development that includes providing technical assistance, facilitating start-up financing, assisting with research, preparing business plans, offering services as needed for the creation of new businesses and working with residents to determine neighborhood business needs and opportunities.

LEHIGH VALLEY COMMUNITY LAND TRUST (LVCLT)

The mission of this Subsidiary is to create and preserve affordable homes for working families. LVCLT acquires homes and the land on which they are built through a variety of channels, renovates these homes in an energy-efficient manner and sells the homes to income-qualified applicants. The land is held permanently by the Subsidiary to ensure perpetual affordability. As such, LVCLT is committed to promoting long-term self-sufficiency and success with homeowners. Homeowner support is provided both before and after the purchase of a home.

RISING TIDE COMMUNITY LOAN FUND, INC. (RTCLF)

This Subsidiary is a certified Community Development Financial Institution (certified by the U.S. Department of the Treasury), and was created for the purpose of providing loans to small or start-up business ventures to improve the social welfare of economically depressed or blighted communities in the Lehigh Valley area.

LEHIGH AND NORTHAMPTON COUNTIES REVOLVING LOAN FUND, INC. (LNCRLF)

The Revolving Loan Fund became a subsidiary of CACLV on July 1, 2019. The Revolving Loan Fund is a program administered by the Economic Development Administration, a bureau within the U.S. Department of Commerce, whose purpose is to make loans to small businesses that cannot otherwise obtain traditional bank financing. These loans provide access to capital as gap financing that enables businesses to grow in economically disadvantaged areas.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting. The significant accounting policies are described below.

Notes to the Financial Statements June 30, 2020 and 2019

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for losses on loans and the valuation of real estate and food inventory. In connection with the determination of the estimated losses on loans, management obtained independent appraisals for significant properties.

Revenue and Revenue Recognition

Revenue is recognized when earned. Program service income and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. For the year ended June 30, 2020 and 2019 there is no deferred revenue for program service income. Accounts receivable related to program service income for the years ended June 30, 2020 and 2019 and 2018 are \$54,076, \$332,345 and \$502,295, respectively.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Consequently, at June 30, 2020, contributions approximating \$3,900,000, have not been recognized in the accompanying statement of activities because the condition on which they depend has not yet been met. Detail of the promises to give and conditional promises to give are contained in Note 5.

A portion of the Organization's revenue is derived from cost-reimbursable federal, state, and local contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. As of June 30, 2020 and 2019, the Organization has refundable advances of \$1,952,934 and \$432,803, respectively. Refundable advances as of June 30, 2020 includes \$1,038,505 that was received under the Payment Protection Program (PPP) that is expected to be forgiven with additional detail in Note 13. Revenue under the grant contracts for the years ended June 30, 2020 and 2019 was \$5,283,027 and \$6,094,272, respectively. Receivables related to grant contracts of the Organization as of June 30, 2020, 2019 and 2018 are \$791,114, \$779,622 and \$1,042,039, respectively.

Additionally, sales of real estate on CACLV and LVCLT are recorded at the time of closing of the sale when title to and possession of the property improvements are transferred to the buyer. Costs of sales are based on direct costs. Closing costs and sales expense are specifically identified with the house sold and shown as a direct reduction to the sales receipts.

In Kind Contributions

Donated Goods and Services

A portion of the Organization's functions are conducted by unpaid volunteer officers and committees. The value of this contributed time is not reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition. Gifts of donated

Notes to the Financial Statements June 30, 2020 and 2019

food and grocery products over which the Organization has control (i.e. variance power) are reported as unrestricted public support and, shortly thereafter, as expense when granted to food rescue organizations.

Below Market In-Kind Interest

RTCLF and LNCRLF have several loans payable, as more fully described in Note 12, which are non-interest bearing or bear interest at a below market rate. Interest has been imputed on the RTCLF loans at 1.02% and 1.58% for the years ended June 30, 2020 and 2019.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board can designate, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment. Their governing boards have designated certain net assets as of June 30, 2020 and 2019, detail included in Note 15.

Net Assets with Donor Restrictions — Net assets subject to donor or grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Detail of net assets with donor restrictions is included in Note 14.

Advertising Expense

Advertising costs are expensed as incurred and were \$3,588 and \$488 for years ended June 30, 2020 and 2019, respectively.

Cash and Cash Equivalents

Cash and cash equivalents, for the purposes of the Consolidated Statements of Cash Flows, includes short-term, highly liquid financial instruments with original maturities of 90 days or less.

Contributions

Contributions received are recorded as revenue with or without donor restriction depending on the existence and/or nature of any donor restriction. Contributed property and equipment is recorded at fair value at the date of the donation.

Promises to Give

Unconditional written promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

Notes to the Financial Statements June 30, 2020 and 2019

Property and Equipment

CACLV's property and equipment with acquisition costs of \$5,000 or more are recorded at cost and depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years. All the other subsidiaries' property and equipment with acquisition costs of \$1,000 or more are recorded at cost and depreciated over their estimated useful lives of the assets on the straight-line basis ranging from 3 to 7 years.

Depreciation charged to expense is \$356,140 and \$347,871 for the years ended June 30, 2020 and 2019, respectively.

Land Held in Trust

Land has been received through purchase, bargain purchase or donation. Land purchased at market value is recorded at the net present value of the ground rent. Land acquired by bargain purchase or donation is recorded at fair market value at the date received. Land is transferred from property inventory to land held in trust at the time property is acquired. As of June 30, 2020 and 2019 land held in trust was \$312,747 and \$295,247, respectively.

Property Inventory

Property inventory represents costs incurred by the CACLV and LVCLT for housing rehabilitation projects. Costs consist primarily of the initial property purchase (including the land cost), rehabilitation costs, and other carrying costs incurred during rehabilitation. Holding costs incurred after a house is ready for sale, such as utilities, maintenance, and interest are charged to expense. Property inventory as of June 30, 2020, net of loss reserves, is \$537,197 and \$0 for CACLV and LVCLT, respectively. Property inventory as of June 30, 2019, net of loss reserves, is \$514,772 and \$183,713 for CACLV and LVCLT, respectively.

Program Loans Receivable

Loans are reported for RTCLF and LNCRLF at their recorded investment, which is the outstanding principal balance plus accrued interest and net of any unearned income, such as deferred fees or costs, and charge-offs. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding.

Loan Loss Reserve

The allowance for loan losses for RTCLF and LNCRLF reflects management's judgment of probable loan losses inherent in the portfolio at the balance sheet date. The Organizations use a disciplined process and methodology to establish the allowance for loan losses each year. To determine the total allowance for loan losses, management estimates the reserves needed for each segment of the portfolios, including loans analyzed individually and loans analyzed on a collective basis.

To determine the balance of the allowance account, loans are pooled by portfolio segment and losses are modeled using historical experience and quantitative and other mathematical techniques over the loss emergence period and consideration of specific allowance amounts related to loans in excess of 60 days past due.

The establishment of the allowance for loan losses relies on a consistent process that requires multiple layers of management review and judgment and responds to changes in economic conditions, among other influences. From time to time, events or economic factors may affect the

Notes to the Financial Statements June 30, 2020 and 2019

loan portfolios, causing management to provide additional amounts to or release balances from the loan loss reserve.

Management monitors differences between estimated and actual incurred loan losses. This monitoring process includes periodic assessments by management of individual loans and the methods used to estimate incurred losses on those loans. Additions to the loan loss reserve are made by charges to the provision for loan losses. Recoveries of previously charged off amounts are credited to the loan loss reserve.

Loan Charge-Offs

For program loans receivable, RTCLF and LNCRLF fully or partially charges off a loan when repayment is deemed to be protracted beyond reasonable time frames.

Compensated Absences

All full-time and full benefit part-time employees earn annual leave benefits. Accordingly, the liability for employees' rights to receive compensation for future absences is recorded as a liability in the accompanying statements of financial position.

Income Taxes

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries is comprised of six notfor-profit corporations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization has adopted the provisions FASB ASC 740-10 related to uncertain tax positions. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings in determining any uncertain tax positions.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2020 and 2019.

The Parent Organization and each of its subsidiaries file Form 990 - Return of Organization Exempt From Income Tax annually. The Organization's returns for tax years 2017, 2018 and 2019 are subject to examination by the IRS, generally for three years after they were filed.

Change in Accounting Principle

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The ASU clarifies and improves guidance for contributions received and contributions made, and provides guidance to organizations on how to account for certain exchange transactions This change is preferable in that it clarifies whether to account for transactions as contributions or as

Notes to the Financial Statements June 30, 2020 and 2019

exchange transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities.

The change in accounting principle was adopted on a modified prospective basis for the year ended June 30, 2020. However, there was a cumulative-effect adjustment to opening net assets without donor restrictions to reflect the change in revolving loan funds that are considered net assets with donor restriction of \$988,981 as of July 1, 2019.

Reclassifications

Certain reclassifications have been made to the 2019 financial statements presentation to correspond to current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

Date of Management's Review

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries has evaluated subsequent events through March 19, 2021, the date which the financial statements were available to be issued.

NOTE 3. LIQUIDITY AND AVAILABILITY

Management and Board of Directors regularly monitors liquidity needed to meet the Agency's operating needs and other contractual commitments. The Agency regularly manages cash resources to maximize any interest earnings and minimize the cost of borrowing. It also has various sources of liquidity at its disposal, including cash and cash equivalents, lines of credit and contractually obligated short-term receivables.

For the purposes of analyzing short-term liquidity needs, the Agency strives to maintain sufficient liquid financial assets to cover two to three months of operating expenses. In addition to the financial assets available, the Agency operates with a balanced budget and anticipates collecting sufficient revenues to cover general operating expenditures.

The breakdown of financial resources as of June 30, 2020 and 2019, available to meet general expenditures within one year of the balance sheet date are listed below:

	2020	2019

Notes to the Financial Statements June 30, 2020 and 2019

Conditional Promises to Give

During the year ended June 30, 2020, CACLV subsidiaries received conditional pledges for various purposes. Since these pledges represent conditional promise to give, they are not recorded as contribution revenue until donor conditions are met.

CADCA has received conditional pledges from local corporations and have remaining pledge commitments of \$650,000 per year payable over the next six years totaling \$3,900,000 as of June 30, 2020. The pledges are contingent upon future Commonwealth of Pennsylvania tax credits and approvals under its Neighborhood Partnership Program. Pledge payments under the program were \$550,000 in both 2020 and 2019. Unconditional promises to give related to the pledges were \$150,000 and \$0 as of June 30, 2020 and 2019, respectively.

CADCB has received conditional pledges from local corporations and have made pledge commitments contingent upon future Commonwealth of Pennsylvania tax credits, under its Neighborhood Partnership Program. Pledge payments received against these commitments were \$200,000 in both 2020 and 2019. There are no contingent pledges for future periods as of June 30, 2020.

NOTE 6. PROGRAM AND FORGIVABLE LOANS RECEIVABLE

On July 1, 2019 CACLV began operation of the Lehigh and Northampton County Revolving Loan Fund (LNCRLF). The acquisition consisted of cash and loans receivable of \$520,166 which included \$179,393 of cash and \$340,773 in outstanding loans receivable.

Program loans receivable for RTCLF and LNCRLF are comprised of various extensions of credit to small business owners and entrepreneurs of the community. Repayments are due monthly including interest at rates ranging from 4% to 11%. Original terms range from 18 to 180 months. Loans receivable are reported delinquent when they become 30 days past due. Loans over 90 days past due are considered delinquent for CDFI funding. Loans that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to loans receivable. Allowances for loan losses are established by management based on a review of the creditworthiness of the borrower and historical collections.

Interest income received on loans was \$242,637 and \$226,896 for the years ended June 30, 2020 and 2019, respectively. Aggregate loans receivable at June 30, 2020 and 2019 were comprised of the following:

RTCLF receives grant funding from the City of Bethlehem to fund loans. The funds must be returned to the loan fund upon repayment. The repayment of loans, interest and fees is restricted for lending or program activities. As of June 30, 2020 and 2019, the amount included in the net assets with donor restrictions is included in Note 14.

The Organizations have an established a methodology to determine the adequacy of the allowance for loan losses that assesses the risks and losses inherent in the Organizations portfolios. For purposes of determining the allowance for loan losses, the Organizations segment loans in their portfolios by product type. The Organizations loans are segmented into the following pools: Micro Loans and Small Business Loans. Each class of loan requires judgment to determine the estimation method that fits the credit risk characteristics of its portfolio segment.

The following are the factors the Organizations use to determine the balance of the allowance account for each class of loans.

Micro Loans and Small Business Loans

Micro loans and small business loans are evaluated collectively to determine a loss percentage to apply to loans. Loss percentages vary between classes. These loss percentages are based on historical loss experience. For the years ended June 30, 2020 and 2019 the loss percentage used for small business and micro loans was 3%-10%, for both years when evaluated collectively. The Organizations consider the allowance for loan losses of \$310,300 and \$259,000 adequate to cover loan losses inherent in the loan portfolios, as of June 30, 2020 and 2019, respectively. The following table presents by portfolio segment, the changes in the allowance for loan losses and the recorded investment in loans.

Notes to the Financial Statements June 30, 2020 and 2019

LNCRLF micro loans are federally funded and pose no risk of loss. Loans are still collectively evaluated for impairment but any write off will be charged directly to the Fund so there is no risk of loss and no allowance recognized. The balance of LNCRLF federally funded loans collectively evaluated for impairment as of June 30, 2020 and 2019 was \$124,179 and \$0, respectively.

NOTE 13. REFUNDABLE ADVANCES – PAYCHECK PROTECTION PROGRAM

CACLV was granted a \$1,038,505 loan under the Paycheck Protection Program "PPP" administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. CACLV is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. CACLV has initially recorded the loan as a refundable advance and will record the forgiveness in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right to return of the PPP loan or when such conditions are explicitly waived. Proceeds from the loan are eligible for forgiveness if CACLV maintains employment levels during its covered period and uses the funds for certain payroll, rent, and utility expenses. No contribution revenue has been recorded for the year ended June 30, 2020, CACLV will be required to repay any balance not forgiven, plus interest accrued at 1% per annum with monthly payments beginning on December 6, 2020. Principal and interest payments will be required through the maturity date of May 6, 2022.

NOTE 16. RETIREMENT PLAN

The Organization has a defined contribution retirement plan which covers all employees having one year of service. The Plan provides for participants' pretax contributions to the Plan up to limits defined in Section 401 (k) of the Internal Revenue Code. Under the Plan, the Organization is required to make contributions to the Plan in an amount equal to 7% of eligible participants' compensation.

The Organization's contributions to the Plan were \$251,093 and \$250,728 for the years ended June 30, 2020 and 2019, respectively.

NOTE 17. FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, interest, and amortization, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, insurance, and other, which are allocated on the basis of estimates of time and effort.

Notes to the Financial Statements June 30, 2020 and 2019

Notes to the Financial Statements June 30, 2020 and 2019

NOTE 19. LEASE COMMITMENT

CACLV and its subsidiaries lease facilities (including program space), parking space and transportation and office equipment under various operating lease agreements. Rent expense under these agreements was \$97,849 and \$76,861 in 2020 and 2019, respectively. Future lease commitments are as follows:

	 CACLV		
Year Ending June 30,			
2021	\$ 78,286		
2022	70,188		
2023	64,670		
2024	62,724		
2025	51,360		
Thereafter	 50,750		
	\$ 377,978		

NOTE 20. CONCENTRATION OF CREDIT RISK

The Organization maintains its cash in various bank deposit accounts which at times exceeds the federal insured limits. The financial institutions are considered high quality and the Organization has not experienced any losses in such accounts.

The Organization receives a substantial portion of its support in the form of annual grants from federal, state, and local governmental agencies. This support is dependent on the Organization's continued qualifications for such funding, together with the amounts available to the governmental sources. Accordingly, reductions in this support could have a significant impact on the Organization's operations.

NOTE 21. FAIR VALUE MEASUREMENTS

The estimated fair value of the Organization's financial instruments measured on a recurring basis as of June 30, 2020 and 2019 are as follows:

	June 30, 2020				June 30, 2019			
	_Fa	air Value	-	/aluation Level 3)	Fair Value		Valuation (Level 3)	
Annuity contract	\$	208,477	\$	208,477	\$	213,892	\$	213,892

Notes to the Financial Statements June 30, 2020 and 2019

The change in the Organization's financial instrument measured on a recurring basis as of June 30, 2020 and 2019 is as follows:

	WO 10110110.					
	Balance June 30, 2019	Unrealized Gain (Loss)	Additions	Balance June 30, 2020		
Annuity contract	\$ 213,892	\$ (5,415)	\$ -	\$ 208,477		
	Balance June 30, 2018	Unrealized Gain (Loss)	Additions	Balance June 30, 2019		
Annuity contract	\$ 179,272	\$ 7,134	\$ 27,486	\$ 213,892		

Level 3 are assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

NOTE 22. CONTINGENCY

Organization's operations have been affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on the Organization's financial position, operations, and cash flows. Possible effects may include, but are not limited to, disruption to the Organization's revenue sources, its workforce and its ability to provide services. In addition, as discussed previously, the program loan portfolio already experienced a delay in return of principal. The future effects of these issues are unknown.

NOTE 23. SUBSEQUENT EVENT

Due to a loss of funding, the Work Ready supported employment program ceased operations September 30, 2020.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries Bethlehem, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States the consolidated financial statements of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2020, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 19, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries Bethlehem, Pennsylvania

Report on Compliance for Each Major Federal Program

We have audited Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs for the year ended June 30, 2020. Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and guestioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2020-001. Our opinion on each major federal program is not modified with respect to this matter.

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a deficiency in internal control over compliance, described in the accompanying schedule of findings and questioned costs as item 2020-001 that we consider to be a material weakness.

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Finding 2020-001 - Material Weakness

U.S. Department of Agriculture
Passed through Lehigh, Northampton and Carbon counties from Commonwealth of Pennsylvania

Program: Food Distribution Cluster- CFDA# 10.565, 10.568 & 10.569

Condition: The Organization distributed food to an ineligible participant agency under the Emergency Food Assistance Program.

Criteria: Eligibility requirements for the program require that participating agencies have a program agreement on file with the Organization and maintain self-declaration forms for all individuals who receive the commodities at the participating agency.

Cause: Controls related to food distribution at the Organization allowed federal commodities under the Emergency Food Assistance Program to be distributed to a participating agency without the proper eligibility for the program.

Effect: One participating agency and its related agencies received federal commodities during the program year that they were ineligible to receive.

Context: A sample of participating agencies was taken from the food distributed during the year ended June 30, 2020 for proper eligibility documentation. One agency was found that did not have the proper documentation to receive assistance under the program. Once discovered, all distributions to the agency and its related entities were compiled to determine the amount of the unallowed distributions.

Questioned Costs: \$57,605.

Recommendation: The Organization should revise the control procedures that allowed the federal commodities to be distributed to an ineligible agency. Additional controls over the program should be implemented to be sure the proper eligibility documentation is on file before these food commodities are distributed. The Organization should contact their oversight agency for instructions on how to correct the questioned costs.

View of Responsible Officials and Planned Corrective Action: The Organization agrees with the recommendation and has already revised the controls related to the program. The Organization will contact the United States Department of Agriculture contact to correct the questioned costs in this finding.

CORRECTIVE ACTION PLAN FOR YEAR ENDING JUNE 30, 2020

3 March 2021

U.S. Department of Agriculture, The Emergency Food Assistance Program, passed through the Pennsylvania Department of Agriculture and Lehigh, Northampton and Carbon counties, Pennsylvania Food Distribution Cluster, CFDA# 10.565,10.568 and 10.569

Independent public accounting firm:

Buckno Lisicky & Company 645 Hamilton Street, Suite 204 Allentown, PA 18101

Audit period: Year Ended June 30, 2020.

The Community Action Committee of the Lehigh Valley, Inc., respectfully submits the following corrective action plan for the year ended June 30, 2020.

The findings from the June 30, 2020, schedule of findings and questioned costs are addressed below. The findings are numbered consistently with the numbers assigned in the schedule.

Federal Awards Findings

Finding 2020-001, Material Weakness

Recommendation

The Organization should revise the control procedures that allowed the federal commodities to be distributed to an ineligible agency. Additional controls over the program should be implemented to be sure the proper eligibility documentation is on file before these food commodities are distributed. The Organization should contact their oversight agency for instructions on how to correct the questioned costs.

Corrective Action

The Community Action Committee of the Lehigh Valley, Inc., d/b/a Second Harvest Food Bank of Lehigh Valley and Northeast Pennsylvania, proposes the following adjustments to correct the finding in our audit of the Temporary Emergency Food Assistance Program for the fiscal year ending June 30, 2020. CACLV will monitor the disbursement of federal commodities by implementing new and more aggressive controls. When federal commodities are ordered by any nonprofit affiliated with the Second Harvest Food Bank for the

Community Action Committee of the Lehigh Valley

purpose of distributing food assistance, the Food Bank's Agency Relations Coordinator will review the eligibility of the nonprofit. The Food Bank's Operations Manager will review the product and sign off on the agency's eligibility. Finally, CACLV's Fiscal Department will review all federal distributions each month.

Additionally, the Second Harvest Food Bank will no longer offer federal product during its "Free Friday" promotion to ensure that ineligible organizations do not mistakenly receive the product. Although there were \$57,605 in questioned costs, the Pennsylvania Department of Agriculture determined that the product was used for congregate feeding and was therefore an eligible use. No replacement product will need to be purchased nor will the Second Harvest Food Bank need to make monetary amends for the referenced costs. The Pennsylvania Department of Agriculture will meet with CACLV management and Second Harvest Food Bank staff to address this finding and provide proper training to review and reinforce the proper disbursal of federally funded product.

We want to assure the Department that we take our stewardship of federal resources very seriously and fully intend to operate our program with no further incident.

Sincerely,

Alan L. Jennings Executive Director
