INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries
Bethlehem, Pennsylvania

We have audited the accompanying consolidated financial statements of Community Action Committee of the Lehigh Valley, Inc. (a nonprofit organization) and Subsidiaries, which comprise the consolidated statements of financial position as of June 30, 2019 and 2018, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related consolidated notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issues by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action Committee of the Lehigh Valley, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The additional supplementary information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2019, on our consideration of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting and compliance.

The Program makes improvements to both single-family and multi-family homes, including infiltration prevention, water heater wraps, and insulation. To complement these physical improvements, the agency also educates residents in energy conservation and lead paint hazards. The Weatherization Program repairs or replaces heating systems in cold weather emergency situations for qualified low-income households.

OnTrack

CACLV administers PPL's Customer Assistance Program, OnTrack, which works with those low-income customers who accumulate an arrearage to establish a payment plan. During the households' participation in the program, the arrearage is forgiven and service maintained.

Sixth Street Shelter/Turner Street Apartments/Ferry Street Apartments

The Sixth Street Shelter provides temporary housing (up to 60 days) for homeless families with children. Shelter staff assists families to stabilize their crisis, save money, relocate to permanent housing, and obtain other appropriate services such as job training and child care.

Turner Street Apartments in Allentown and Ferry Street Apartments in Easton provide long-term transitional housing (up to two years) for families that have been homeless. Services are similar to those offered at the Sixth Street Shelter; however, families in these programs are expected to pursue vocational training or education as a condition of their stay, with an intended outcome of economic self-sufficiency.

residential rehabilitation services and emergency food pantries. As an affiliate of Feeding America (formerly America's Second Harvest), the national food bank network, Second Harvest has access to a portion of the millions of pounds of food solicited annually through the network. The food becomes available for a variety of reasons, including corporate generosity, food that is improperly weighed or packaged, product that is approaching the expiration date and producer's need for warehouse space. Additionally, Second Harvest solicits donations from local food producers, retailers and private citizens.

Member agencies may acquire these products for free or for a shared maintenance fee of up to 16 cents per pound. Second Harvest is able to pick up donated product from donors and deliver the product to the member agencies.

Community Action Financial Services (CAFS)

Community Action Financial Services includes the Home Ownership Counseling Program, the Family Savings Account and Individual Development Account programs and foreclosure mitigation.

The Home Ownership Counseling Program reaches out to low-income households to encourage home ownership, conduct training seminars on the home-buying process and provide individual counseling. The Family Savings Account and Individual Development Account programs provide opportunities for individuals to save money for specific purposes such as paying for education, buying or renovating a home, buying a car, or starting a business. When the savings goal is reached, government funds offer a full match for the saved funds. Foreclosure mitigation assists homeowners at risk of foreclosure with a range of intervention techniques designed to protect the owners from losing their homes.

SHE (Self-Esteem, Health, Education)

SHE (Self-Esteem, Health, Education) is a strength-based empowerment program that assists girls to develop life skills that promote academic achievement, well-being, healthy relationships, resilience, teamwork, and leadership. The SHE program works with fifth grade girls at a local elementary school and is expanding to provide programming for middle school students.

Slate Belt Rising

Slate Belt Rising (SBR) is CACLV's multi-municipal neighborhood partnership, the first of its kind in the Commonwealth of Pennsylvania, encompassing the boroughs of Wind Gap, Pen Argyl, Bangor and Portland. SBR's focus includes the beautification of business districts, façade improvements, establishment of committees with community stakeholders, engagement of the region's youth, and relationship building with CACLV programs and other partners in the target areas.

Administration

Administration includes the management of the staff, programs and finances of CACLV and the supportive services that accompany the agency's and subsidiaries' management. Community planning and advocacy are at the core of the agency's mission. Community Action Agencies have a historic purpose of promoting change and advocating for the interests of the poor. Funding for Administration and community planning and advocacy is provided primarily through the Community Services Block Grant (CSBG), although various other funding sources provide partial support.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting. The significant accounting policies are described below.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for losses on loans and the valuation of real estate and food inventory. In connection with the determination of the estimated losses on loans, management obtained independent appraisals for significant properties.

Revenue Recognition

Revenue is recognized in the period the service is performed.

Sales of real estate on CACLV and LVCLT are recorded at the time of closing of the sale, when title to and possession of the property improvements are transferred to the buyer. Costs of sales are based on direct costs. Closing costs and sales expense are specifically identified with the house sold.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statement of Activities and the Consolidated Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

In Kind Contributions

Donated Goods and Services

A portion of the Organization's functions are conducted by unpaid volunteer officers and committees. The value of this contributed time is not reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition. Gifts of donated

**COMMUNITY ACTION COMMITTEE OF THE LEHIGH VALLEY, INC.
AND SUBSIDIARIES**

**Notes to the Financial Statements
June 30, 2019 and 2018**

food and grocery products over which the Organization has control (i.e. variance power) are reported as unrestricted public support and, shortly thereafter, as expense when granted to food rescue organizations.

Below Market In-Kind Interest

RTCLF has several loans payable, as more fully described in Note 12, which are non-interest bearing or bear interest at a below market rate. Interest has been imputed on these loans at 1.58% and 2.17% for the years ended June 30, 2019 and 2018. The interest is recorded as an in-kind contribution and in-kind interest expense.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board can designate, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment. Their governing boards have designated certain net assets as of June 30, 2019 and 2018, detail included in Note 15.

Net Assets With Donor Restrictions – Net assets subject to donor or grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Detail of net assets with donor restrictions is included in Note 13.

Advertising Expense

Advertising costs are expensed as incurred and were \$488 and \$4,382 for years ended June 30, 2019 and 2018, respectively.

Cash and Cash Equivalents

Cash and cash equivalents, for the purposes of the Consolidated Statements of Cash Flows, includes short-term, highly liquid financial instruments with original maturities of 90 days or less.

Contributions

Contributions received are recorded as revenue with or without donor restriction depending on the existence and/or nature of any donor restriction. Contributed property and equipment is recorded at fair value at the date of the donation.

Promises to Give

Unconditional written promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected

**COMMUNITY ACTION COMMITTEE OF THE LEHIGH VALLEY, INC.
AND SUBSIDIARIES**

**Notes to the Financial Statements
June 30, 2019 and 2018**

in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

Grants

A substantial portion of the Organization's revenue is derived from donor restricted grants and contracts from governmental agencies. These grants and contracts are recorded based on the terms of the grantor allotment, which generally provides that revenue is earned when the allowable costs or units of service of the specific grant provisions have been incurred or provided. Accordingly, revenue is recognized based on project expenses incurred. Amounts received but not yet earned are reported as deferred revenues.

Property and Equipment

CACLV property and equipment of \$5,000 or more are recorded at cost and depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years. All the other subsidiaries property and equipment of \$1,000 or more are recorded at cost and depreciated over their estimated useful lives on the straight-line basis.

Depreciation charged to expense is \$347,871 and \$349,046 for the years ended June 30, 2019 and 2018, respectively.

Land Held in Trust

Land has been received through purchase, bargain purchase or donation. Land purchased at market value is recorded at the net present value of the ground rent. Land acquired by bargain purchase or donation is recorded at fair market value at the date received. Land is transferred from property inventory to land held in trust at the time property is acquired. As of June 30, 2019 and 2018 land held in trust was \$295,247 and \$282,143, respectively.

Property Inventory

Property inventory represents costs incurred by the CACLV and LVCLT for housing projects. Costs consist primarily of the initial property purchase (including the land cost), rehabilitation costs, and other carrying costs incurred during rehabilitation. Holding costs incurred after a house is ready for sale, such as utilities, maintenance, and interest are charged to expense. Property inventory as of June 30, 2019, net of loss reserves, is \$514,772 and \$183,713 for CACLV and LVCLT, respectively. Property inventory as of June 30, 2018, net of loss reserves, is \$121,364 and \$258,678 for CACLV and LVCLT, respectively.

Program Loans Receivable

Loans are reported for RTCLF at their recorded investment, which is the outstanding principal balance plus accrued interest and net of any unearned income, such as deferred fees or costs, and charge-offs. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding.

Loan Loss Reserve

The allowance for loan losses for RTCLF reflects management's judgment of probable loan losses inherent in the portfolio at the balance sheet date. The Organization uses a disciplined process and methodology to establish the allowance for loan losses each year. To determine the total allowance for loan losses, management estimates the reserves needed for each segment of the portfolio, including loans analyzed individually and loans analyzed on a collective basis.

**COMMUNITY ACTION COMMITTEE OF THE LEHIGH VALLEY, INC.
AND SUBSIDIARIES**

**Notes to the Financial Statements
June 30, 2019 and 2018**

To determine the balance of the allowance account, loans are pooled by portfolio segment and losses are modeled using historical experience and quantitative and other mathematical techniques over the loss emergence period and consideration of specific allowance amounts related to loans in excess of 60 days past due.

The establishment of the allowance for loan losses relies on a consistent process that requires multiple layers of management review and judgment and responds to changes in economic conditions, among other influences. From time to time, events or economic factors may affect the loan portfolio, causing management to provide additional amounts to or release balances from the loan loss reserve.

Management monitors differences between estimated and actual incurred loan losses. This monitoring process includes periodic assessments by management of individual loans and the methods used to estimate incurred losses on those loans. Additions to the loan loss reserve are made by charges to the provision for loan losses. Recoveries of previously charged off amounts are credited to the loan loss reserve.

Loan Charge-Offs

For program loans receivable, RTCLF fully or partially charges off the loan when repayment is deemed to be protracted beyond reasonable time frames.

Compensated Absences

All full-time and full benefit part-time employees earn annual leave benefits. Accordingly, the liability for employees' rights to receive compensation for future absences is recorded as a liability in the accompanying statements of financial position.

Income Taxes

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries is comprised of five not-for-profit corporations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization has adopted the provisions FASB ASC 740-10 related to uncertain tax positions. The Organization continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings in determining any uncertain tax positions.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal year 2019 and 2018.

The Parent Organization and each of its subsidiaries file Form 990 - Return of Organization Exempt From Income Tax annually. The Organization's returns for tax years 2016, 2017 and 2018 are subject to examination by the IRS, generally for three years after they were filed.

Certain reclassifications have been made to the 2018 financial statements presentation to correspond to current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

Date of Management's Review

Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries has evaluated subsequent events through December 12, 2019, the date which the financial statements were available to be issued.

NOTE 3. LIQUIDITY AND AVAILABILITY

Management and Board of Directors regularly monitors liquidity needed to meet the agency's operating needs and other contractual commitments. The agency regularly manages cash resources to maximize any interest earnings and minimize the cost of borrowing. It also has various sources of liquidity at its disposal, including cash and cash equivalents, lines of credit and contractually obligated short-term receivables.

For the purposes of analyzing short-term liquidity needs, the agency strives to maintain sufficient liquid financial assets to cover two to three months of operating expenses. In addition to the financial assets available, the agency operates with a balanced budget and anticipates collecting sufficient revenues to cover general operating expenditures.

CADCB has received conditional pledges totaling \$200,000 for the next year contingent upon future Commonwealth of Pennsylvania tax credits, under its Neighborhood Assistance Act Program. Pledge payments received against these commitments were \$200,000 in both 2019 and 2018.

NOTE 6. PROGRAM AND FORGIVABLE LOANS RECEIVABLE

Program loans receivable for RTCLF are comprised of various extensions of credit to small business owners and entrepreneurs of the community. Repayments are due monthly including interest at rates ranging from 4% to 11%. Original terms range from 18 to 180 months. Loans receivable are reported delinquent when they become 30 days past due. Loans over 90 days past due are considered delinquent for CDFI funding. Loans that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to loans receivable. Allowances for loan losses are established by management based on a review of the creditworthiness of the borrower and historical collections. Interest income received on loans was \$226,896 and \$180,624 for the years ended June 30, 2019 and 2018, respectively. Aggregate loans receivable at June 30, 2019 and 2018 were comprised of the following:

The Organization receives grant funding from the City of Bethlehem to fund loans. The funds must be returned to the loan fund upon repayment. The repayment of loans, interest and fees is restricted for lending or program activities. As of June 30, 2019 and 2018, the amount included in the City of Bethlehem loan fund is as follows:

	<u>2019</u>	<u>2018</u>
Repayment of loans, interest and fees	\$ 426,003	\$ 365,826

	<u>\$ 897,720</u>	<u>\$ 892,922</u>

The Organization has an established methodology to determine the adequacy of the allowance for loan losses that assesses the risks and losses inherent in the Organization's portfolio. For purposes of determining the allowance for loan losses, the Organization segments loans in its portfolio by product type. The Organization's loans are segmented into the following pools: Micro Loans and Small Business Loans. Each class of loan requires judgment to determine the estimation method that fits the credit risk characteristics of its portfolio segment.

The following are the factors the Organization uses to determine the balance of the allowance account for each class of loans.

Micro Loans and Small Business Loans

Micro loans and small business loans are evaluated collectively to determine a loss percentage to apply to loans. Loss percentages vary between classes. These loss percentages are based on historical loss experience. For the years ended June 30, 2019 and 2018 the loss percentage used for small business and micro loans was 7% for both years when evaluated collectively. The Organization considers the allowance for loan losses of \$259,000 and \$215,700 adequate to cover loan losses inherent in the loan portfolio, as of June 30, 2019 and 2018, respectively. The following table presents by portfolio segment, the changes in the allowance for loan losses and the recorded investment in loans.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries
Bethlehem, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States the financial statements of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 12, 2019. The financial statements of the subsidiaries' were not audited in accordance with *Government Auditing Standards* and accordingly this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the subsidiaries.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries
Bethlehem, Pennsylvania

Report on Compliance for Each Major Federal Program

We have audited Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs for the year ended June 30, 2019. Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action

Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Committee of the Lehigh Valley, Inc. and Subsidiaries' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
