INDEPENDENT AUDITOR'S REPORT

Board of Directors
Greater Valley Young Men's Christian Association
Allentown, PA

We have audited the accompanying financial statements of the Greater Valley Young Men's Christian Association (a not-for-profit organization), which comprise the statement of financial position as of December 31, 2016 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As explained in Note 2 to the financial statements, buildings and equipment that the Greater Valley Young Men's Christian Association purchased or acquired prior to January 1, 2016 are recorded in the financial statements at insured value. Accounting principles generally accepted in the United States of America require buildings and equipment purchased to be recorded at cost and buildings and equipment acquired in an acquisition to be recorded at fair market value at the date of acquisition. The effects on the accompanying financial statements of the failure to record the buildings and equipment at cost have not been determined.

As explained in Note 15 to the financial statements, the Greater Valley Young Men's Christian Association has not consolidated the financial statements of Bethlehem YMCA Affordable Housing LP. Accounting principles generally accepted in the United States of America require certain not-for-profit entities to consolidate for-profit entities in which they are general partners. The effects on the accompanying financial statements of the failure to consolidate Bethlehem YMCA Affordable Housing LP have not been determined.

Qualified Opinion

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Greater Valley Young Men's Christian Association as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 18 to the financial statements, the 2015 financial statements have been restated to correct misstatements. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS
December 31, 2016

1. Nature of Activities

Greater Valley Young Men's Christian Association (YMCA, the "Organization") is a not-for-profit organization, which is organized under the laws of the Commonwealth of Pennsylvania committed to advance our cause of strengthening community through youth development, healthy living and social responsibility. The YMCA is a powerful association of men, women, and children committed to bringing about lasting personal and social change. With a focus on nurturing the potential of every child and teen, improving the nation's health and well-being and providing opportunities to give back and support neighbors, the YMCA enables youth, adults, families and communities to be healthy, confident, connected and secure.

Program Activities

Youth Development – Our YMCA is committed to nurturing the potential of every child and teen. We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That is why we help young people cultivate the values, skills, and relationships that lead to positive behaviors, better health and educational achievement. Our YMCA programs, such as child care, arts and humanities, youth sports, day and specialty camp programs and other youth programming, offer a range of experiences that enrich cognitive, social, physical and emotional growth.

Healthy Living – The YMCA is a leading voice on health and well-being. We bring families closer together, encourage good health and foster connections through fitness, sports, fun and shared interests. As a result, people in our community are receiving the support, guidance and resources they need to achieve greater health in spirit, mind and body. This is particularly important as our nation struggles with obesity crisis, families struggle with work/life balance and individuals search for personal fulfillment. Healthy Living programs include group adult classes, diabetes prevention, health screening, walking groups and other recreation activities.

Social Responsibility – Our YMCA believes in giving back and supporting our neighbors. We have been listening and responding to our community's most critical social needs. YMCA programs, such as housing, are examples of how we deliver training, resources and support that empower our neighbors to effect change, bridge gaps and overcome obstacles. We engage YMCA members, participants and volunteers in activities that strengthen our community and pave the way for future generations to thrive.

As part of our mission our programs are accessible, affordable and open to all faiths, backgrounds, abilities and income levels. We provide financial assistance to people who otherwise may not have been able to afford to participate.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement presentation follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. A brief description of each follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Any cash held for investment purposes is included as part of the investment account and not as cash and cash equivalents on the Statement of Cash Flows

Grants and Accounts Receivable

Accounts receivable consists primarily of receivables from program registrants and child care fees. An allowance is determined by management based on historical collections, specific participants' circumstances, and economic conditions. Member receivables are written off when management has exhausted collections efforts and deems the accounts uncollectible. The YMCA does not accrue interest on unpaid accounts receivable.

Land, Building and Equipment

Building and equipment purchased or acquired prior to January 1, 2016 is recorded in the accompanying financial statements at insured value, based upon the value provided by the insurance company. Land acquired prior to January 1, 2016 is held at cost.

GREATER VALLEY YOUNG MEN'S CHRISTIAN ASSOCIATION
(A Not-for-Profit Organization)
NOTES TO FINANCIAL STATEMENTS
December 31, 2016

2. Summary of Significant Accounting Policies (Continued)

Land, Building and Equipment (Continued)

Land, building and equipment purchased or acquired on or after January 1, 2016 is stated at cost. Depreciation is computed by use of the straight-line method based on estimated useful lives.

	<u>Years</u>
Building and Improvements	15 - 50
Leasehold Improvements	15
Furniture and Fixtures	5 - 10
Equipment	3 - 10

Additions and betterments of \$1,000 or more are capitalized, while maintenance and repairs that do not improve or extend the original useful lives of the respective assets are expensed as incurred.

Revenue Recognition

Membership dues and program fees are recognized as revenue ratably over the period of membership or the duration of the program.

Contributions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated Materials and Services

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated values at date of receipt. Donated services of a specialized skill that would be purchased in the absence of this donation are recorded at the estimated market rate for the corresponding hours spent.

No amounts have been reflected in the statements for general donated services in-as-much as no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time in the Organization's program services and in its fundraising campaigns.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies (Continued)

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

The Organization maintains its cash accounts with four financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each institution. At December 31, 2016, the Organization's uninsured cash balances totaled approximately \$351,000.

Income Tax Status

The Organization is exempt from federal income tax under the provisions of Section 501 (c)(3) of the Internal Revenue Code and applicable state law. Accordingly, no provision for income taxes is required in the accompanying financial statements.

The Organization has concluded that there are no material unrecognized tax benefits or accrued interest or penalties that would require recognition in the financial statements as of December 31, 2016. The Organization files its Form 990, *Return of Organization Exempt from Income Tax*, in the U.S. Federal jurisdiction and the Bureau of Charitable Organizations for the State of Pennsylvania. The Organization's Forms 990 for the years ending 2014, 2015, and 2016 are subject to examination by the IRS, generally for three years after they were filed.

Other Matters

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the net asset class that owned the assets. Ordinary income from investments, receivables, and the like is accounted for in the net asset class owning the assets, except for income derived from investments of endowment funds, which is accounted for, if unrestricted, as revenue of the current unrestricted net asset class, or if restricted, as revenue in the appropriate restricted net asset class.

2. Summary of Significant Accounting Policies (Continued)

Operating Measure

The Organization includes all changes in unrestricted and temporarily restricted net assets in its "operating activities" on the Statement of Activities except:

Interest and Dividends
 Net Realized/Unrealized Gain/(Loss) on Investments

3. Grants and Accounts Receivable

	2016

YMCA Management Fees	251,306
Other	97,969
	463,790
Less: Allowance for Doubtful Accounts	-
Total	\$ 463,790

4. Pledges Receivable

The Organization held a fund-raising campaign for funds to improve one of their branches. The majority of pledges received are in relation to the fund-raising campaign. Pledges receivable as of December 31, 2016 are unconditional and expected to be paid in the amounts of \$145,294 and \$10,000 in 2017 and 2018, respectively. A discount of 5% was calculated on pledges receivable with an expected date greater than one year and deemed to be insignificant. In addition, uncollectible pledges are expected to be insignificant; therefore management has decided that neither a discount on pledges receivable nor an allowance for uncollectible pledges receivable was necessary.

5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement and Disclosure*, defines fair value, establishes a fair value hierarchy and specifies that a valuation technique used to measure fair value shall maximize the use of observable inputs and minimize the use of unobservable inputs. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Organization currently does not have any Level 2 or 3 inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016.

Common Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Organization at year end.

GREATER VALLEY YOUNG MEN'S CHRISTIAN ASSOCIATION
(A Not-for-Profit Organization)
NOTES TO FINANCIAL STATEMENTS
December 31, 2016

5. Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2016:

	Assets at Fair Value as of December 31, 2016

7. Line of Credit

The Organization has a \$300,000 line of credit with a bank at an interest rate based upon the Wall Street Journal U.S. Prime Rate, with a floor of 3.25%. The line is collateralized by accounts receivable, inventory, general intangibles, and equipment of the Organization. The outstanding balance on the line of credit as of December 31, 2016 was \$150,000. Interest paid on the line of credit was \$5,368 for the year ended December 31, 2016.

8. Notes Payable

In February 2013, the Organization entered into a 25 year, \$1,500,000 open end note with a bank which can be drawn upon, as needed. The note is secured by real estate of the Organization's Slate Belt location. Interest is variable for the first 24 months at a rate of the Wall Street Journal Prime Rate plus 0.25% with a floor of 3.50% and a cap of 5.50%. For years 3 to 5, the Organization had a fixed rate interest of 3.95%. At the conclusion of the initial 5 year period, the interest rate will float at the Wall Street Journal Prime Rate plus 0.25% with a floor rate of 3.50% and a cap of 5.50%. Monthly payments of principal and interest are \$8,327 and the outstanding balance on the note as of December 31, 2016 was \$209,094. Interest paid on the note was \$10,366 for the year ended December 31, 2016. This note was subsequently fully repaid in early 2017, and is classified as current on the Statement of Financial Position.

8. Notes Payable (Continued)

The Organization has a 25 year, \$5,517,714 open end note with a bank which can be drawn upon, as needed. The note is secured by real estate of several of the Organization's branches. Beginning July 23, 2015, interest is fixed for the first 60 months at a rate of 2.97%, followed by an interest rate at the Wall Street Journal U.S. Prime Rate. Also beginning July 23, 2015, the Organization shall make 24 monthly payments of interest only until July 23, 2017, when the Organization shall then make monthly payments of principal and interest of \$27,732. One final payment of all unpaid principal and interest shall then be due on June 23, 2040. Based upon the current outstanding principal balance, the Organization is projected to re-pay the note during the year 2029. The outstanding balance on the note as of December 31, 2016 was \$3,459,615. Interest paid on the note was \$100,039 for the year ended December 31, 2016.

Maturities of long-term debt are as follows:

11. Endowment Net Assets

The Organization's endowment consists of funds established for the purpose of supporting programs and services of the Organization. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Organization follows Commonwealth of Pennsylvania law and its own governing documents with respect to the management of endowment funds. In the absence of donor restrictions, the net appreciation on a donor-restricted endowment fund is spendable.

As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts donated to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Endowment Return Objectives, Risk Parameters and Strategies

The primary goal of the investment policy is to meet the short and long-term needs and goals of the Organization while carefully controlling risk. Basic to the process is the establishment of mutually agreed upon objectives and the development of an investment program designed to meet those needs. Preservation of capital and a stable level of current income are foremost in the fixed income strategy. The portfolio is invested in common stock and mutual funds; plus liquidity as the primary objective and goals. To achieve these goals, the Organization closely follows the stock market and constantly reviews the fund returns to realize the highest level of income.

12. Endowment Loans (Continued)

A previous review of the Bethlehem YMCA endowment fund conducted by a member of a bank's trust department determined the value, at that date, as \$186,909. As the value of the endowment fund was \$76,320, at that date, a loan was set up for repayment to the general fund. The loan is a 10 year loan to the general fund with an interest rate of 1.00%. Monthly payments on the loan are \$1,118 and the outstanding balance on the loan as of December 31, 2016 was \$111,370. No interest was paid on the loan for the year ended December 31, 2016, as no repayments were made during the year.

Principal repayments on the loan are as follows:

Years ending December 31,	2017	\$	4,938
	2018		11,935
	2019		12,055
	2020		12,176
	2021		12,298
	Thereafter		57,968

13. Defined Contribution Plans

The Organization participates in two plans (Plans) sponsored by the YMCA Retirement Fund (the "Fund"). The Fund is a not-for-profit, tax-exempt pension fund incorporated in the State of New York, organized and operated for the purpose of providing retirement and other benefits for employees of YMCAs throughout the United States. The participating Plans include:

- the Retirement Plan - a defined contribution plan that is intended to satisfy the qualification requirements of Section 401(a) of the Internal Revenue Code (IRC), as amended, and,
- the Tax-Deferred Savings Plan - a retirement income account plan as defined in IRC Section 403(b).

The Retirement Plan requires that all employees participate in the plan upon completing 1,000 hours of service during each of two years and attaining 21 years of age and also requires a contribution rate ranging from 8% -12% of compensation. The Organization may elect to pay the contribution in full or share with the employee. Employee contributions are made after - tax. The Organization contributes 8% of eligible employees' compensation on an annual basis.

The Tax-Deferred Savings plan allows all employees, upon hire, to elect to contribute a percentage of their eligible compensation to the plan, subject to certain IRC limits. There is no employer contribution.

All contributions to the Plans vest immediately. Each of the plans, as defined contribution plans, have no unfunded benefit obligations. Total YMCA employer contributions to the Plan were \$172,013 for the year ended December 31, 2016.

14. Related Parties

The Organization pays dues to the YMCA of the USA. Dues paid to YMCA of the USA for the year ended December 31, 2016 was \$116,056.

15. Limited Partnership

The Young Men's Christian Association of Bethlehem, which merged into the Organization effective May 1, 2015, is the general partner of Bethlehem YMCA Affordable Housing LP, a 35 unit low-income housing project limited partnership. The Young Men's Christian Association of Bethlehem has a 0.01% interest in Bethlehem YMCA Affordable Housing LP. FASB ASC 810, *Consolidation*, determines when a general partner, or the group of general partners as a group, controls a limited partnership or similar entity when the limited partners have certain rights. The guidance presumes that a general partner controls a limited partnership and, therefore, should consolidate the partnership. This presumption can be overcome if the limited partners have kick-out or substantive participating rights. Management has determined that Bethlehem YMCA Affordable Housing LP should be consolidated into the Organization's financial statements. Management has decided not to include the financial statements of the Bethlehem YMCA Affordable Housing LP in accompanying financial statements.

16. Advertising Expense

Advertising costs are expensed as incurred and were \$88,888 the year ended December 31, 2016.

17. Memorandum of Understanding

Effective July 1, 2016, the Organization signed a Memorandum of Understanding with the Pocono Family YMCA. The Memorandum of Understanding is for the Organization to provide fiscal oversight, leadership, and suggestions for improvement to the Pocono Family YMCA for up to 2 years, during which time the Organization will pay monthly fees for these services. Subsequent to December 31, 2016, Pocono Family YMCA is no longer paying monthly fees.

18. Prior Period Adjustment

The beginning net asset balances of the Organization have been restated as of December 31, 2015 to correct misstatements. In previously issued financial statements, the Organization did not record pledges receivable or record an accrual for payroll and payroll taxes. Also, the Bethlehem buildings and equipment were valued at cost instead of the Organization's policy of recording building and equipment purchased or acquired prior to January 1, 2016 at insured value. Balances were also reclassified to the proper restriction for the Marhefka capital restrictions and endowment funds. Therefore, net asset balances as of December 31, 2015 were restated as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Net Assets 12/31/2015, as Previously Stated	\$ 17,382,335	\$ 206,732	\$ 1,624,757	\$ 19,213,824

19. Subsequent Events

Management has evaluated subsequent events through August 25, 2017, the date the financial statements were available to be issued, and has determined that with the exception of the items noted below, no material subsequent events exist that require disclosure.

Effective January 1, 2017, the Allentown YMCA merged with the Organization to provide efficiency and increase effectiveness of similar programs run by the two organizations. The merger is being accounted for as an acquisition.
