

Program Highlights and Guidelines

Through a partnership between Lehigh Career & Technical Institute (LCTI), and Lehigh County, a no cost scholarship program is being offered to income eligible Lehigh County residents. * Additionally, there may be funding available from PA CareerLink.

Restrictions apply as resident must pass certification program.

QUALIFICATIONS FOR PROGRAM:

1. Interested in gaining sustainable employment in the Truck Driving or Heavy Equipment Operations industry
2. Currently a Lehigh County resident. Residents, residing outside of Lower Milford Township or cities of Allentown and Bethlehem do not qualify
3. Attend Information Session: September 14, 2016 from 6:00pm-7:30pm
4. Hold a valid Drivers License
5. Must be willing to possibly participate in PA CareerLink's WorkKeys Assessment Program to qualify for scholarship.
6. Must be able to find transportation to classes at the LCTI campus. (LANtabus are available for this site)

* Scholarship program is only available to low income qualified residents who reside outside Lower Milford Township and the cities of Allentown or Bethlehem.
