What is CDBG-CV?

CDBG-CV funding guidelines are the same as CDBG, with a few key differences.

- Similarities
 - Projects must benefit households living outside the city limits of Allentown and Bethlehem.
 - Projects must fundable, meaning they must meet a national objective test.
 - These objectives are found on the LCDCE website. www.lehighcounty.org, under departments click on Community & Economic Development, under section links click CDBG Grant Application
 - Projects must be eligible, meaning the activity is listed on the CDBG Eligible Activities list.
 - Public service projects must still substantiate that they are providing either a new service or can prove a quantifiable increase in the level of need for an existing service.

Differences

- Projects funded under CDBG-CV must qualify for either the low- to moderate-income national objective or urgent need.
- All projects eligible under CDBG-CV must prevent, prepare for, and/or respond to the coronavirus.
- CDBG-CV does not limit the amount Lehigh County can award to public service projects.
- CDBG-CV allows for a two year spending window.
- CDBG-CV is gap filler funding.

Lehigh County was awarded two allocations of CDBG-CV. The CDBG-CV not yet allocated shall be divided into programs. Applicants can submit applications on a rolling basis until all funding has been awarded.

- Programs
 - Technology Adaptations - \$315,085
 - Food Security - \$250,000
 - Financial and Legal Counseling - \$250,000
 - Housing Stabilization - \$750,000

Lehigh County is proposing the increase of administration from \$247,619 to \$265,529.

Lehigh County will submit the substantial amendment to HUD no earlier than February 25, 2021.

Questions and Comments
