Counseling for individual family members and family sessions

Group Therapy

Psychoeducational Groups & Codependency Groups

Case Management

Community resources & referrals

About FORT

The FORT Program uses both an ecological and peer-based model to provide various recovery services for family members who have a loved one with a substance use disorder. This understanding will provide the families the strength needed to help them overcome these barriers through the utilization of community resources and a recovery plan that empowers the family's action and promotes health and wellness.

Referrals

To make a referral, please email FORT@marscare.com to request a referral form. Forms can be either faxed or emailed. Questions or concerns, please call (484) 747-4540.

*"We are all branches of the same tree
(The root is addiction)
United we win...Divided, addiction wins.
TOGETHER WE ARE STRONGER"
- Sandy Swenson*
