

**PIT Team II  
03/17/09  
MINUTES**

- The team reviewed the attached Best Practice Guidelines Brochure. At this time we would like to share this brochure with the Executive Committee, IFSP Committee and the Autism Task Force for feedback. P.T. will see that this information is added to the agendas.
- The team continues to discuss the drafted Consumer Survey Results Action Plan which is attached. The team will also look at the IQ Auditing Tool that was provided by Magellan today to see if there is anything more we would like to add or change in the action plan. Feedback regarding this tool should be provided to C.B. by Monday 04/13/09 so this can be included on the action plan for the next PIT Team II meeting.

The next PIT Team II meeting is scheduled for Tuesday 04/21/09 at 1:00 pm in room 524 at the Government Center.
